

## PRIMARY HEALTH CARE LIMITED (PRY) – ASX

PRY is pleased to announce that it has agreed to provide Practitioner and other medical support services for an Indigenous Medical Health Centre situated in West Dubbo.

Medical practitioners and professionals who are contracted with PRY and provide full time family care in the Western Plains Medical Centre, Dubbo have agreed to help meet this need. Primary sees it as an important step in helping to meet community needs and consistent with its philosophy of providing affordable and accessible care for all.
