ASX Announcement | 28 April 2022

Hiremii Completes Placement

Perth, Australia; 28 April 2022: Hiremii Group (ASX:HMI) (**Hiremii** or the **Company**) is pleased to announce that it has completed a capital raising of $585,000 to institutional and sophisticated investors.

The capital raising was by way of a placement of 13,000,000 fully paid ordinary shares (**Placement Shares**) at an issue price of $0.045 per share to professional and sophisticated investors. The issue price was the same issue price as the Company's recent Share Purchase Plan (**SPP**) and 7,816,683 Placement Shares were issued pursuant to the shareholder approval to place the SPP shortfall which was obtained at the recent General Meeting of Shareholders held on 11 April 2022. The remaining 5,183,317 Placement Shares were issued under the Company's available Listing Rule 7.1 placement capacity.

Funds raised under the placement will be utilised for the expansion of the Company's business and for working capital purposes.

Hiremii's Managing Director, Andrew Hornby, said, "We would like to thank all investors who participated in the SPP shortfall raise for their support. We appreciate the ongoing commitment and support and look forward to progressing the Hiremii recruitment and technology service offerings.

The funds secured through this placement and the recent SPP will allow us to continue to invest in growing our recruitment capability and to commercialise current modules of our market leading AI driven technology platform."

This announcement has been authorised for release by the Managing Director of the Company.

Forward Looking Statements

This announcement may contain certain "forward looking statements" which may not have been based solely on historical facts, but rather are based on the Company's current expectations about future events and results.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward looking statements are subject to risks, uncertainties, assumptions, and other factors, which could cause actual results to differ materially to futures results expressed, projected, or implied by such forward looking statements.

The Company does not undertake any obligation to release publicly any revisions to any "forward looking statements" to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.

About Hiremii Group

Hiremii Limited (ASX:HMI) is a technology-driven full-service recruitment company with two core business components; Hiremii Technology, a cloud-based platform which uses machine learning and artificial intelligence to remove the tedious manual tasks associated with the recruitment and onboarding process, pre-vetting and shortlisting candidates based on employers' specific requirements, and Inverse Group, a growing recruitment business that provides specialist white collar recruitment services to the energy, resources and technology sectors.
