ABOUT HARMONEY

Harmony provides consumers across Australia and New Zealand with personal loans that are fast, easy, and competitively priced (using risk-adjusted interest rates), and that can be accessed 100% online. Harmony's purpose is to help people achieve their goals through financial products that are fair, friendly, and simple to use.

Harmony's proprietary digital lending platform, Stellare® is the power behind the platform. Stellare® can process, approve and fund loan applications within minutes. Stellare® also replaces the traditional industry credit scorecard with a predictive behavioural analytics engine which uses machine learning to analyse our rich, direct consumer data to deliver automated credit decisioning and superior risk-based pricing.

BUSINESS FUNDAMENTALS

- Harmony provides risk based priced personal loans of up to \$100,000 to consumers across Australia and New Zealand.
- Its 100% consumer-direct model and automated loan approval system is underpinned by Harmony's scalable Stellare® proprietary technology platform.
- A large percentage of Harmony's originations come from existing customers with minimal customer acquisition cost.
- Harmony is comprised of a team of 80 full-time employees predominantly based in Auckland, New Zealand, approximately half of whom comprise engineering, data science and product professionals.
- Harmony has a highly diversified funding panel with warehouses being provided by three of the "Big 4" banks across Australia and New Zealand. Harmony issued its first asset backed securitisation in 2021, followed up with a \$200m New Zealand asset backed securitisation in August 2023, both being publicly rated by Moody's.
