

ASX ANNOUNCEMENT

1 March 2006

Hansen Technologies appoints Director

Hansen Technologies Limited is pleased to announce the appointment of David Osborne to the position of non-executive Director with effect from 1 March 2006. David has a long standing association with Hansen having been a Board member for some years prior to the Company's listing on the ASX in June 2000.

David is a Fellow of the Institute of Chartered Accountants with over 30 years of financial management, taxation and accounting experience in public practise.

David's financial qualifications strongly support his appointment to the Company's Audit Committee to fill the place recently vacated as a result of the previously notified departure of Geoff Tomlinson.

In welcoming Mr. Osborne as a Board member, Mr Ken Hansen, Chairman of Hansen Technologies said, "I am delighted David has agreed to rejoin our Board. David provided expert advice to Hansen for a number of years and it is reassuring that we have been able to bring that experience back into the Board. I am confident that David's broad knowledge and experience will facilitate a significant contribution to the Company and will compliment our internal financial management skills."

About Hansen

Hansen Technologies Limited is a leading provider of proprietary billing solutions and IT outsourcing services. Its flagship HUB billing software has application across the Telecommunication, Electricity, Gas and Water industries. HUB is increasingly providing the solution to the needs of energy companies as the push towards utility market deregulation expands. Hansen also provides facilities managed and outsourcing services from its purpose-built data centres located in Melbourne and Sydney. Founded in 1971, Hansen has offices in Australia, the United Kingdom and the United States.
