

ASX ANNOUNCEMENT

21 June 2007

Hansen signs second contract with Tesco in the United Kingdom

Hansen Technologies Limited (ASX: HSN), announced today it has reached agreement with Tesco Mobile, the UK's fastest growing mobile operator, for the provision and implementation of an innovative billing solution.

This new agreement is for Hansen to provide Tesco Mobile with a fully integrated and hosted managed service, using Hansen's proprietary HUB billing software as the foundation solution.

The contract represents a revenue opportunity for Hansen over the 12 month delivery period of approximately \$A 6 million.

"The selection of Hansen as the provider of this new billing solution for Tesco Mobile is a strong endorsement of our two companies' strategic relationship", said Andrew Hansen, Managing Director of Hansen.

About Hansen Technologies (www.hsntech.com)

Hansen Technologies Limited is a leading provider of proprietary billing solutions and IT outsourcing services, with customers around the world. Its flagship HUB billing software has applications across the telecommunication, electricity, gas and water industries. Hansen also provides facilities managed and outsourcing services from its purpose-built data centres in Melbourne and Sydney. Founded in 1971, Hansen has offices in Australia, the United Kingdom and the United States.

About Tesco (www.tescocorporate.com)

Tesco is the UK's largest retailer and one of the world's leading international retailers. The Tesco group had a turnover of £41.8 billion with pre-tax profits of £2.2 billion in the year to February 2006. Tesco operates over 2,670 stores employing over 370,000 people. Outside the UK, the Tesco group operates in 11 countries across Europe and Asia. In Europe, Tesco operates 363 stores and has over 68,000 employees in the Czech Republic, Hungary, Republic of Ireland, Poland, Slovakia and Turkey. In Asia, Tesco operates 444 stores and employs over 56,000 people in China, Japan, Malaysia, South Korea and Thailand.
