Dear Sir/Madam,

UPDATED WEBSITE – www.panoramasynergy.com

Panorama Synergy Limited is pleased to launch its new, updated website at www.panoramasynergy.com

As well as a new look, the site has been designed to simplify navigation and make finding information much easier.

The website provides information about Panorama Synergy's range of exciting and rapidly changing technology areas – including Panorama Synergy's core technology which when combined with nano-technology fabrication techniques will dramatically improve the quality and economics for a wide range of media technologies, including display and projection, memory, telecommunications and integrated circuits.

There is information about intellectual property, patents, major achievements as well as information for investors including ASX announcements and share price data.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'John Athans', with a large circular flourish on the left side.
