Voting Prohibition and Voting Exclusion Statements

For the definitions of Key Management Personnel (**KMP**) and Closely Related Parties, please refer to the Glossary on page 22.

The Corporations Act restricts members of the KMP of the Company and their Closely Related Parties from voting in relation to remuneration related Resolutions (such as Resolutions 1 and 4), voting prohibitions.

In addition, separate voting restrictions apply in respect of Resolution 5 under the ASX Listing Rules, voting exclusions.

What this means for Shareholders: If you intend to appoint a member of the KMP (other than the Chairman of the Meeting) or a Closely Related Party of a member of the KMP as your proxy, please ensure that you direct them how to vote on Resolutions 1 and 4. If you do not do so, your proxy will not be able to vote on your behalf on Resolutions 1 and 4.

If you intend to appoint the Chairman of the Meeting as your proxy, you are encouraged to direct him how to vote by marking the boxes for Resolutions 1 and 4 (for example if you wish to vote for, or against, or to abstain from voting). If you appoint the Chairman as your proxy without directing him how to vote, the Proxy Form authorises him to vote as he decides on Resolutions 1 and 4 (even though those Resolutions are connected with the remuneration of KMP). The Chairman of the Meeting intends to vote in favour of all Resolutions (where permissible).

The Company will disregard votes cast on Resolutions 1, 4 and 5 by the persons detailed in the below.

Resolution 1 – Adoption of Remuneration Report

Voting Prohibition Statement:

In accordance with the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the KMP, details of whose remuneration are included in the Remuneration Report for the year ended 30 June 2019; and
- (b) Closely Related Parties of such a member.

However, a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution 1; or
- (b) the person is the Chairman of the Meeting and the appointment of the Chairman as proxy:
 - i. does not specify the way the proxy is to vote on Resolution 1; and
 - ii. expressly authorises the Chairman to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP.

Resolution 4 – Approval of Employee Incentive Plan

Voting Exclusion Statement:

The Company will disregard any votes cast in favour of Resolution 4 by or on behalf of the Directors of the Company or an associate of those persons.

However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 5 – Approval of 10% Placement Capacity

Voting Exclusion Statement:

The Company will disregard any votes cast in favour of Resolution 5 by or on behalf of a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of those persons.

However, the Company need not disregard a vote cast if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held on Tuesday, 19 November 2019 at 10.00am (AWST).

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. ANNUAL REPORT

The business of the Meeting will include receipt and consideration of the Company's Annual Financial Report, the Directors' Report and the Auditor's Report for the year ended 30 June 2019, which are included in Hazer's Annual Report.

In accordance with the Corporations Act 2001, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Annual Report, and on the management of Hazer.

The Company's auditor will be present at the Meeting. During the discussion of this item, the auditor will be available to answer questions on:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of the Financial Statements; and
- the independence of the auditor in relation to the conduct of the audit.

Written questions for the auditor

If you would like to submit a written question about the content of the Auditor's Report or the conduct of the audit of the Annual Financial Report to the Company's auditor, please send your question to the Company Secretary. A list of qualifying questions will be made available at the Meeting.

Please note that all written questions must be received at least five business days before the Meeting, that is by Tuesday, 12 November 2019.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Remuneration Report is set out in the Annual Report. The Remuneration Report details the Company's remuneration arrangements for the Directors and senior management of the Company.

S250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 1 is advisory only and not binding on the Company or its Directors.

However, under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report then:

- if comments are made on the Remuneration Report at the Meeting, Hazer's 2020 Remuneration Report will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at next year's AGM, at least 25% of the votes cast on the resolution for adoption of the 2020 Remuneration Report are against it, Hazer will be required to put to Shareholders a resolution proposing that an Extraordinary General Meeting (**EGM**) be

called to consider the election of Directors (**Spill Resolution**). If the Spill Resolution is passed (i.e. more than 50% of the votes cast are in favour of it), all of the Directors (other than the Managing Director) will cease to hold office at the subsequent EGM, unless re-elected at that Meeting.

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%.

In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Remuneration Report.

Board recommendation: *The Remuneration Report forms part of the Directors' Report, which was approved in accordance with a unanimous resolution of the Board. Each Director recommends that Shareholders vote in favour of adopting the Remuneration Report.*

4. RESOLUTION 4 – APPROVAL OF EMPLOYEE INCENTIVE PLAN**Background**

On 14 October 2016, the Company announced that it had adopted an employee incentive scheme titled the Hazer Group Employee Incentive Plan (Plan). The Plan was approved by the shareholders at the Annual General Meeting held of 15 November 2016. A summary of the key terms and conditions of the Plan is set out in Schedule 1.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Equity Securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

ASX Listing Rules 7.1 and 7.1A

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.1A provides an eligible entity may issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting.

ASX Listing Rule 7.2

ASX Listing Rule 7.2 (Exception 9(b)) sets out an exception to ASX Listing Rules 7.1 and 7.1A which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rules 7.1 and 7.1A.

If Resolution 4 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue securities using its placement capacities and without Shareholder approval.

The number of securities issued under the Employee Incentive Plan since it was approved at the 2016 Annual General Meeting are:

Type	Number
Options	20,400,000 with exercise prices ranging from \$0.50 to \$1.20 and expiry dates ranging between 30 June 2020 and 30 June 2024.

Shareholder approval

Shareholder approval is sought for the adoption of the Plan in accordance with ASX Listing Rule 7.2 (Exception 9(b)).

Any future issues of Shares under the Plan to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

Board recommendation: *The Directors unanimously recommend that Shareholders vote in favour of the approval of the Hazer Group Employee Incentive Plan.*

5. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT CAPACITY

5.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (please refer to Section 5.2(c) below).

The Directors believe that Resolution 5 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

5.2 ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of the Notice, the Company has one quoted class of Equity Securities on issue on the ASX, being the Shares (ASX Code: HZR).

(c) Formula for calculating 10% Placement Capacity

The exact number of Equity Securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (C) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of Shares under the Company's 15% placement capacity without Shareholder approval; and
- (D) less the number of Shares cancelled in the previous 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating the Company's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

5.3 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5.

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A.2)	Dilution			
	Issue Price (per Share)	\$0.245 (50% decrease in current issue price)	\$0.49 (Current issue price)	\$0.735 (50% increase in current issue price)

97,260,856 (Current Variable A)	Shares issued - 10% voting dilution	9,726,086	9,726,086	9,726,086
	Funds raised	\$2,382,891	\$4,765,782	\$7,148,673
145,891,284 (50% increase in Variable A)*	Shares issued - 10% voting dilution	14,589,128	14,589,128	14,589,128
	Funds raised	\$3,574,336	\$7,148,673	\$10,723,009
194,521,712 (100% increase in Variable A)*	Shares issued - 10% voting dilution	19,452,171	19,452,171	19,452,171
	Funds raised	\$4,765,782	\$9,531,564	\$14,297,346

The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue, a scrip issued under a takeover offer or the issue of Shares on the exercise of options which complied with ASX Listing Rules when issued) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. Variable "A" in the above table is calculated with reference to the total shares on issue as at 11 October 2019.
2. The issue price set out above is the closing price of the Shares on the ASX on 11 October 2019.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may seek to issue the Equity Securities under the 10% Placement Facility in order to fund the Company's research and development programs, fees in relation to the Company's intellectual property rights and patent protection, as well as general working

capital. The Company may also issue Equity Securities for non-cash consideration, such as for the acquisition of businesses or investments. If the Company issues Equity Securities for non-cash consideration, the Company will provide a valuation of the non-cash consideration that demonstrates that the deemed issue price of the Equity Securities complies with Listing Rule 7.1A.3. The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon any issue of Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new assets or investments.

(f) Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained approval under ASX Listing Rule 7.1A at an Annual General Meeting on 14 November 2018.

Equity Securities issued in the 12 months preceding the last approval are outlined on the following page.

The total number of Equity Securities issued in the 12 months before this Meeting (that is, since 19 November 2018) is 13,078,850 Equity Securities, which represents approximately 8% of the total number of Equity Securities on issue at 19 November 2018 of 156,688,750 (12 months before this Meeting).

6. RESOLUTION 6 – AMENDMENT TO COMPANY'S CONSTITUTION

6.1 Special Resolution

Resolution 6 is a special resolution proposing to modify the Constitution by deleting the current rule 2.9 and inserting a new rule 2.9 in its place. Rule 2.9 concerns restricted securities.

Section 136 of the Corporations Act allows a company to modify its constitution by a special resolution passed at a general meeting of the company. A special resolution must be passed by at least 75% of the votes cast by Shareholders who are entitled to vote on the resolution.

6.2 Reasons for the amendment to the Constitution

In accordance with ASX's Public Consultation Paper of 28 November 2018 titled "*Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules*", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX proposed was to amend the Listing Rules to give effect to a modified escrow regime to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime is to come into effect from 1 December 2019. A two-tiered escrow regime is to be introduced.

The first tier of escrow will involve ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier will apply where ASX will instead allow listed entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime is to replace the current requirement where all holders of restricted securities must enter into a formal escrow agreement.

In order to provide a constitutional underpinning for ASX's modified escrow regime, the ASX is amending Listing Rule 15.12 (restricted securities) from 1 December 2019.

The new Listing Rule 15.12 requires the constitution of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

6.3 Amendment

The current rule 2.9 of the Company's Constitution does not provide for the ASX's modified escrow regime. A modification of the Constitution is therefore sought by deleting the current rule 2.9 and inserting a new rule 2.9 in its place which will be in the following terms:

"2.9 *Restricted Securities*

(a) *The Company must comply with the Listing Rules in respect of Restricted Securities.*

(b) *Notwithstanding the generality of Rule 2.9(a):*

- (i) *a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (ii) *if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a Holding Lock applied for the duration of the escrow period applicable to those securities;*
- (iii) *the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (iv) *a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (v) *if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

The new proposed rule provides the constitutional underpinning for ASX's modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new rule) are proposed to take effect from 1 December 2019 and will apply to restricted securities after that date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of Listing Rule 15.12 in force immediately prior to this date.

A copy of the Constitution with the amendment proposed will be made available for review by Shareholders at the office of the Company. A copy will be available for inspection at the Meeting.

The Directors recommend Shareholders vote to modify the Constitution to insert the new rule to ensure compliance with the Listing Rule changes.
