IntelliCare

Quality of life.
Peace of mind.

Daniel Pilbrow

Chief Executive Officer

Important Notice / Disclaimer

This presentation has been prepared by InteliCare Holdings Limited and its related entities (the "Company"). It does not purport to contain all the information that a prospective investor may require in connection with any potential investment in the Company. You should not treat the contents of this presentation, or any information provided in connection with it, as financial advice, financial product advice or advice relating to legal, taxation or investment matters.
No representation or warranty (whether express or implied) is made by the Company or any of its officers, advisers, agents or employees as to the accuracy, completeness or reasonableness of the information, statements, opinions or matters (express or implied) arising out of, contained in or derived from this presentation or provided in connection with it, or any omission from this presentation, nor as to the attainability of any estimates, forecasts or projections set out in this presentation.

This presentation is provided expressly on the basis that you will carry out your own independent inquiries into the matters contained in the presentation and make your own independent decisions about the affairs, financial position or prospects of the Company. The Company reserves the right to update, amend or supplement the information at any time in its absolute discretion (without incurring any obligation to do so).

Neither the Company, nor its related bodies corporate, officers, their advisers, agents and employees accept any responsibility or liability to you or to any other person or entity arising out of this presentation including pursuant to the general law (whether for negligence, under statute or otherwise), or under the Australian Securities and Investments Commission Act 2001, Corporations Act 2001, Competition and Consumer Act 2010 or any corresponding provision of any Australian state or territory legislation (or the law of any similar legislation in any other jurisdiction), or similar provision under any applicable law. Any such responsibility or liability is, to the maximum extent permitted by law, expressly disclaimed and excluded.

Nothing in this material should be construed as either an offer to sell or a solicitation of an offer to buy or sell securities. It does not include all available information and should not be used in isolation as a basis to invest in the Company.

Future matters
This presentation contains reference to certain intentions, expectations, future plans, strategy and prospects of the Company. Those intentions, expectations, future plans, strategy and prospects may or may not be achieved. They are based on certain assumptions, which may not be met or on which views may differ and may be affected by known and unknown risks. The performance and operations of the Company may be influenced by a number of factors, many of which are outside the control of the Company. No representation or warranty, express or implied, is made by the Company, or any of its directors, officers, employees, advisers or agents that any intentions, expectations or plans will be achieved either totally or partially or that any particular rate of return will be achieved. Given the risks and uncertainties that may cause the Company's actual future results, performance or achievements to be materially different from those expected, planned or intended, recipients should not place undue reliance on these intentions, expectations, future plans, strategy and prospects. The Company does not warrant or represent that the actual results, performance or achievements will be as expected, planned or intended.

Market Opportunity

InteliCare

Strong market trends ageing population of baby boomers supporting demand for core products.

Increasing Federal Government funding for aged care, and **future policy reform** will drive further opportunity for core products.

Learning from existing SDA/SIL projects to open up to future opportunities in the disability sector.

Proprietary IOT platform utilising smart sensors and AI for use in aged care and health industries.

Well credentialled, experienced and performance driven management team with proven track records.

Delivery on the Technology Roadmap

InteliCare

Focus	Unlocks	Delivers
Multi Resident Household	A unique capability which allowed us to win a competitive tender with a SDA/SIL provider.	An expansion of services. The ability to replicate nationwide and into residential and home care sectors.
Automated Reporting	Custom reports for care staff with the ability to edit and add comments. Preservation of institutional knowledge and improved internal communications.	A compliance and audit ready tool. Collaborative care between providers and families .
Expanded Hardware Support	Third-party sensors and automation systems supports entry into commercial facilities, such as residential care.	Reduced supply chain risk and cost. Expansion into new markets.
Optimised Supply Chain	Ensuring we have the flexibility to apply the solution to multiple sectors.	Optimising the number of sectors ICR can target.
