Integral Diagnostics Limited FY20 Loan Share Scheme

FY20 Loan Share Scheme In July 2019, Integral Diagnostics Limited (the **Company**) invited eligible radiologists to apply to participate in the FY2020 Loan Share Scheme (**Offer**). Offers were made under the Integral Diagnostics Limited Recourse Loan Plan (**Plan**). The terms of Offer are set out below.

Overview of Offer Participants were invited to make a cash contribution of between \$25,000 and \$250,000 toward the acquisition of shares in Integral Diagnostics Limited (**Self-Funded Shares**). Participants were then granted a limited recourse loan from a Group company, which was used to fund the acquisition of two additional shares for every one Self-Funded Share in Integral Diagnostics Limited (**Loan Shares**).

Participants Only Australian-resident radiologists who had been continuously employed with the Company or its related bodies corporate (the **Group**) for 12 months or more were eligible to participate in the Offer.

Share allocation date The allocation date for Self-Funded Shares and Loan Shares was 2 September 2019.
Participants were permitted to withdraw from the Plan prior to the allocation date and withdrawal would take effect no more than 45 days after giving notice.

Loan Share vesting period A vesting period applies to Loan Shares commencing on the allocation date (2 September 2019) and ending on the 4th anniversary of the allocation date (2 September 2023).

Loan repayment date 30 August 2029.

Initial Contribution Amount To participate, eligible employees were required to pay an amount between \$25,000 and \$250,000 (**Initial Contribution Amount**), toward the acquisition of shares in the Company before 30 August 2019.

Self-Funded Share terms

Allocation of Self-Funded Shares

The number of Self-Funded Shares allocated to each participant was the value of the participant's Initial Contribution divided by the Board approved price (**Acquisition Price**) which was consistent with the Entitlement Offer Price. The Acquisition Price was \$2.71.

Holders of Self-Funded Shares

Self-Funded Shares can be held directly by participants, or participants could nominate that an immediate family member, a corporate trustee or self-managed superannuation fund of which the participant is a director, or a company whose members comprise only the participant or their immediate family members, hold the Self-Funded Shares.

Holding Lock

Subject to the Board's discretion, dealing in Self-Funded Shares is restricted and the Self-Funded Shares are subject to a holding lock. Once this holding lock has been lifted, participants will be entitled to deal with the Shares subject to the Company's Securities Dealing Policy. The holding lock will apply until the earlier of a participant's cessation of employment with the Group or the time set out below:

- 25% of the Self-Funded Shares to be released from holding lock on 2 September 2020, being the 1st anniversary of the allocation date
- 25% of the Self-Funded Shares to be released from holding lock on 2 September 2021, being the 2nd anniversary of the allocation date
- 25% of the Self-Funded Shares to be released from holding lock on 1 September 2022, being the 3rd anniversary of the allocation date
- 25% of the Self-Funded Shares to be released from holding lock on 1 September 2023, being the 4th anniversary of the allocation date.

Rights attaching to Self-Funded Shares

Self-Funded Shares rank equally in all respects with other ordinary shares in the Company (for example, having rights with respect to voting and dividends).

Loan Share terms

Allocation of Loan Shares

Participants were provided with a limited recourse interest-free loan on 1 September 2019, which was used to acquire Loan Shares. The limited recourse loan was provided by Integral Diagnostics Limited.

The number of Loan Shares acquired for each participant was twice the number of Self-Funded Shares that the participant had elected to acquire.

Value of Loan

The value of the Loan was calculated as follows:

Value of Loan = (Number of Self-Funded Shares x 2) x Acquisition Price.

Dividends and repayment of the Loan

Participants are entitled to receive dividends for their Loan Shares, however all after-tax dividends and after-tax capital distributions in respect of the Loan Shares will be directed toward repayment of the Loan balance until the Loan is repaid or forgiven in full, or otherwise fully satisfied.

The final loan repayment date is 1 September 2029.

Participants are not entitled to participate in any dividend reinvestment plan operated by the Company in relation to a Loan Share while the Loan in respect that Loan Share remains outstanding.

Voting entitlement

Participants are entitled to exercise voting rights, in respect of Loan Shares from the allocation date.

Service condition and vesting

Loan Shares are subject to a service condition, which requires the participant to remain continuously employed by the Group until the 4th anniversary of the Allocation Date (2 September 2023) (**Service Condition**).

Unless the Board determines otherwise:

- if the Service Condition is satisfied, all Loan Shares will vest but will remain subject to a holding lock (see below); or

- if the Service Condition is not satisfied, no Loan Shares will vest. In these circumstances, Loan Shares will automatically be forfeited in full satisfaction of the outstanding Loan balance on the day the participant ceases employment with the Group.

Holding Lock

Unless the Board determines otherwise, the holding lock will apply until:

- 1 the Service Condition has been met and the participant has been notified that their Loan Shares have vested; and
- 2 the Loan in respect of the Loan Shares has been repaid in full, forgiven, or repayment arrangements have been agreed to by the Board.

Once the holding lock has been lifted the participants may deal in the Shares in accordance with the Company's Securities Dealing Policy.

Forfeiture

Loan Shares may be forfeited:

- to the extent that the Service Condition is not satisfied;
- on cessation of a participant's employment in certain circumstances;
- to prevent a participant from becoming entitled to any inappropriate benefits;
- in connection with a change of control event;
- if a participant contravenes the dealing restrictions;
- if a participant notifies the Company in writing that they elect to surrender the Loan Shares; or
- if a participant does not repay the Loan.

In addition, if a participant becomes bankrupt or insolvent or makes any arrangement or composition with their creditors generally, the Loan Shares may be forfeited at the Board's discretion.

The forfeiture of any Loan Shares is deemed to constitute full satisfaction of the relevant portion of the Loan and the participants will have no further obligation in relation to that portion of the Loan.

Cessation of employment

Self-Funded Shares

The holding lock applying to Self-Funded Shares will be lifted when a participant ceases employment with the Group and the participant may deal in the Shares once they have been notified that the holding lock has been lifted, subject to the requirements of the Company's Securities Dealing Policy.

Loan Shares

Where a participant ceases employment for cause or due to significant underperformance all unvested Loan Shares subject to the holding lock will be forfeited, unless the Board determines otherwise. Loan Shares will be forfeited in full satisfaction of the outstanding Loan balance.

Where a participant's employment with the Group ceases for any other reason (including due to resignation, redundancy, death, permanent disability, or ill health) then, unless the Board determines otherwise:

- all vested Loan Shares in respect of which a Loan amount is still outstanding will remain on foot and subject to the terms of this Offer; and
- all unvested Loan Shares will be forfeited. The participant's Loan Shares will be forfeited in full satisfaction of the outstanding Loan balance.

The Board may, at its discretion, determine to vest some or all of the unvested Loan Shares or leave on foot some or all of the unvested Loan Shares (which will remain subject to the original terms of Offer, as though the participant had not ceased employment).

Change of control

Self-Funded Shares

In the event of a takeover bid, as defined in section 9 of the *Corporations Act 2001* (Cth), or other transaction, event or state of affairs that in the Board's opinion is likely to result in a change in control of the Company or there is an actual change of control of the Company, the holding lock applying to any Self-Funded Shares will be lifted.

Loan Shares

In the event of a takeover bid or other transaction, event or state of affairs that in the Board's opinion is likely to result in a change in control of the Company, the Board retains absolute discretion to determine that vesting of some or all of a participant's unvested Loan Shares should be accelerated and that all or a pro rata amount of the Loan (by reference to the proportion of the unvested Shares that vest) will become repayable within the period notified to them.

For the purposes of the Offer, if an actual change of control occurs before the Board has exercised this discretion then, unless the Board determines otherwise:

- 1 all unvested Loan Shares will vest; and
 - 2 the participant has the option to repay the Loan outstanding on their vested Loan Shares (including those which vest in accordance with sub-section (1) above) within the period notified to them by the Board. If the Loan is not repaid, their Loan Shares will be forfeited.
-

Preventing inappropriate benefits – Loan Shares

Forfeiture and clawback provisions apply to the Loan Shares and are designed to prevent participants from obtaining an inappropriate benefit. Those provisions do not apply to the Self-Funded Shares.

The Board may determine that:

- some or all of a participant's unvested or vested Loan Shares will be forfeited; and/or
- some or all of a participant's vested Shares will be forfeited; and/or
- the participant is required to pay as a debt the net proceeds of the sale of Shares or dividends (other than those applied towards the repayment of the Loan) provided to them,

if it finds that the participant has engaged in any of the following conduct:

- the participant has acted fraudulently or dishonestly or engaged in gross misconduct;
 - the participant has acted in a manner which has brought the Company, the Group or any Group company into disrepute;
 - the participant has breached their duties or obligations to the Company or Group company;
 - the participant has been convicted or have had judgment entered against them in connection with the Group's affairs;
 - there is a financial misstatement circumstance;
-

- the participant's Loan Shares vest (or may vest) as a result of the fraud, dishonesty or breach of obligations of any other person and the Board is of the opinion that the incentives would not have otherwise vested; or
- the Company or another Group company is required or entitled to reclaim remuneration or reduce the participant's remuneration outcome under law, regulation, contract or Group policy.

Bonus issues and rights issues

Bonus issues

Unless the Board determines otherwise, any shares issued to a participant by the Company in relation to their shares:

- 1 as bonus shares; or
- 2 as a result of a reorganisation of the issued capital of the Company (other than when the vesting of the shares has been waived, amended, or replaced),

during the period that the Loan remains outstanding, will become subject to the terms of the Offer as if they were shares originally allocated under the Plan.

Rights issues

While the Loan remains outstanding, the Board will determine in each case of a rights issue whether to offer, or procure a Group company or third party to offer, additional loan monies to assist a participant who holds shares to take up their rights and will determine the basis on which such loans are to be issued.

The Board retains absolute discretion to determine that no additional Loans be made but that a participant can elect, or direct the trustee on their behalf to elect, to take up rights at their own cost.

Dealing restrictions

Any dealing in a share while the Loan relating to that share remains outstanding is prohibited unless the Board determines otherwise. The participant may be permitted to deal in their shares if the dealing is required by law and the participant has provided satisfactory evidence of that fact to the Company.

Subject to the Securities Dealing Policy, participants are permitted to deal in those shares that have vested where an equivalent portion of the Loan with respect to those Shares has been repaid.
