

19 May 2022

Full Year Result - Investor Briefing and Webcast Link

There will be a briefing for institutional investors, analysts and media commencing at 10.00am (NZT). The briefing and Q&A session will also be available by webcast and teleconference.

If you wish to watch the presentation and Q&A live, please click the below link. The same link will also be available a short time after the presentation if you are not able to join the live viewing.
