ASX ANNOUNCEMENT

24 June 2014

Bank Facility

The Group has today executed a three month extension of its banking facility with Westpac. The facility includes a trade receivable facility of \$7.5m and an overdraft facility of \$1m.

Management are working with Westpac on a 12-month facility extension following a very profitable May in all major divisions. The outlook for June is also encouraging and profit for that month, subject to any year-end adjustments, is forecast.
