Resolution 3 – Grant of Options to Mr Cameron Judson

ASX Listing Rule 10.14 requires the Company to obtain approval from Shareholders for the issue of securities to a director under an employee incentive scheme. The Company is seeking Shareholder approval for the proposed grant of Options to Mr Cameron Judson under the Equity Incentive Plan, as set out below, in recognition of his contribution in FY25.

As described above, a key component of effective remuneration for employees is equity interests, as they link remuneration to the performance of the Company and align employee interests with those of Shareholders.

Options have been used, as opposed to performance rights, as options have only ever been issued to key staff by the Company and the Board considers that options are readily understood by Shareholders and the market.

A summary of the key terms of the Options to be granted to Mr Cameron Judson under the Equity Incentive Plan is set out below.

Term	Details
Total Options to be issued	350,000 Options
Conversion Rate	One fully paid ordinary share for each option
Tranches	Tranche 1 – 350,000 Options
Performance measures to vest	Tranche 1 – Vests immediately
Expiry date	5 years

Restrictions	Shares issued on exercise will be restricted for three years, subject to certain Board discretions permitted by the Equity Incentive Plan (including in respect of a change of control event or 'special circumstance'). A holding lock may be applied
Termination	If Cameron Judson ceases to be Executive Director (regardless of whether he continues as a non-executive director of the Company) all vested options will lapse if not exercised within 12 months of termination.
Other terms	The equity incentive plan includes adjustment for capital reorganisations and EPS calculations to avoid inappropriate outcomes as required. Rights of option owners to be changed to comply with listing rule 6.16. Options does not confer right to change in exercise price.
Date of issue	Within 30 days of shareholder approval

Ignite Equity Incentive Plan Rules were lodged with ASX on 20 October 2023.

The approval is required under ASX Listing Rule 10.14 on the basis that Mr Cameron Judson is a Director of the Company and so covered by ASX Listing Rule 10.14.1. Subject to Shareholder approval of resolution 3, the Options be granted within 30 days of the Meeting.

The consideration to be paid for the issue of each option to Mr Cameron Judson is \$0.00. And no loan has been made to Mr Cameron Judson.

Details of any securities issued under the Plan will be published in the subsequent Annual Report of the Company relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under listing rule 10.14. who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained.
