MARY HARNEY AS NON-EXECUTIVE DIRECTOR

INOVIQ Limited (ASX:IIQ) is delighted to announce the appointment of Mary Harney as a Non-Executive Director effective 1 October 2024.

Ms Harney is an experienced Non-Executive Director and Chief Executive and brings a deep understanding of applied life science research, in addition to experience in biopharmaceutical regulatory affairs and commercialisation. Ms Harney is the current Chair of Microbio Pty Ltd, an Australian biotech startup focused on changing the course of pathogen detection, and Oncology One, a biotech progressing a small molecule oncology pipeline. She was previously the Chair of Race Oncology (ASX: RAC), a clinical stage biopharmaceutical company with a mission to be at the heart of cancer care.

IIQ Chairman David Williams said: *"We are extremely pleased Mary is joining the Board as she adds significant depth and breadth to the Board. We value her understanding of applied research, commercial, regulatory, pharmaceutical and biotechnology industries in a global setting. Mary joins at an important time as we develop and expand our cancer diagnostic tests and turn our exosome technology into powerful but elegant therapeutics."*

Mary Harney said: *"I am delighted to be appointed to the board because cancer diagnostics and therapies are in my 'sweet spot' of interest and experience. I am very excited by the breadth of the possible applications for cancer diagnostics using exosomes. However, the ability to use exosomes as therapy is the real game changer and the real source of my interest."*

Authorised by the Company Secretary, Mark Edwards.
