A body corporate appointed as a Securityholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. EXPLANATORY NOTES

Notes on Business

ITEM 1 – Financial Statements

As required by section 317 of the *Corporations Act 2001* (Cth) the financial report, directors' report and auditor's report of the Company for the most recent financial year must be laid before the meeting.

The Company's financial report comprises the consolidated financial report of the Company and its controlled entities, including the Ingenia Communities Fund and the Ingenia Communities Management Trust.

There is no requirement for a formal resolution on this item.

The Chairman of the meeting will allow a reasonable opportunity at the meeting for Securityholders to ask questions about or make comments on the management of the Group. Securityholders will also be given a reasonable opportunity at the meeting to ask the Group's auditor, Ernst & Young (**EY**) questions about its audit report, the conduct of its audit of the Group's financial report for the year ended 30 June 2014, the preparation and content of its audit report, the accounting policies adopted by the Group in its preparation of the financial statements and the independence of EY in relation to the conduct of the audit.

Securityholders may submit written questions to EY to be answered at the meeting, provided the question is relevant to the content of EY's audit report or the conduct of the audit of the Group's financial report for the year ended 30 June 2014.

Written questions must be received no later than 5.00pm (AEDT) on Wednesday 5 November 2014. Any written questions to EY can be sent to Link Market Services, Locked Bag A14, Sydney South NSW 1235 (or by Fax: +61 2 9287 0309).

ITEM 2 – Adoption of remuneration report

In accordance with the ASX Corporate Governance Principles and Recommendations, the Company has included in its Annual Report a remuneration report for the consideration of Securityholders.

The resolution on this item of business is advisory only and does not bind the board or the Company.

The Company has designed a remuneration framework to support both a high performance culture and a team focus on adhering to agreed business objectives and directions.

The objective of the Group's executive reward framework is to ensure reward for performance is competitive and appropriate for the results delivered. The framework aligns executive reward with achievement of strategic objectives and the creation of value for Securityholders, and conforms with market practice for delivery of reward.

In summary, the remuneration report in the Annual Report:

- explains the principles used for determining the nature and amount of remuneration of directors and senior executives of the Group;
- sets out remuneration details for each director and senior executives of the Group; and
- outlines service contracts of key management personnel.

Item 2: The Board unanimously recommends that Securityholders vote in favour of this resolution.

ITEM 2 – Voting Exclusion

As required by the Corporations Act, the Group will disregard any votes cast on Item 2 by any member of the Group's key management personnel¹ (**KMP**) or a closely related party² of any such member unless:

- i. The person votes as a proxy appointed by writing that specifies how the person is to vote on the resolution; or
- ii. The person is the Chairman of the Meeting and votes as a proxy appointed by writing that authorises the Chairman to vote on the resolution even though that resolution is connected with the remuneration of a member of the Group's KMP.

What this means for Securityholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chairman of the Meeting as your proxy, you can direct him how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2 and give the Chairman your express authority to vote your undirected proxy (in which case the Chairman will vote in favour of this item of business).

ITEM 3 – Election of Director – Ms Norah Barlow

In accordance with Clause 73.2 of the Company's constitution and ASX Listing Rule 14.4 any director appointed to fill a casual vacancy or as an additional director holds office until the next general meeting of securityholders and is then eligible for re-election.

1. 'key management personnel' has the meaning as defined in Section 9 of the Corporations Act 2001.
2. 'closely related party' has the meaning as defined in Section 9 of the Corporations Act 2001.

Ms Barlow was appointed to fill a casual vacancy as a Director of the Company on 31 March 2014. Ms Barlow therefore retires at the forthcoming Annual General Meeting in accordance with the Constitution and being eligible, has offered herself for election.

Ms Barlow is a professional company director. For the past 12 years, she has served as the Chief Executive Officer of Summerset Group, the third largest retirement village operator and the second largest developer of villages in New Zealand. She was also a past President of Retirement Villages Association New Zealand, a role she had for six years. Ms Barlow currently sits on the Board of Cigna Life Insurance, Cooks Global Food Group, and serves as a member of the New Zealand Government's National Advisory Council for the Employment of Women. She remains with Summerset in a non-executive director capacity.

Item 3.3: The Board unanimously (other than Ms Barlow) recommends that Securityholders vote in favour of this resolution.

ITEM 4 – Re-election of Director – Ms Amanda Heyworth

In accordance with Clause 74.1 of the Company's Constitution and ASX Listing Rule 14.4 an election of directors must be held at each AGM. Under Clause 73.2 of the Company's Constitution, directors being submitted for election as a result of their appointment to fill a casual vacancy is not to be included in determining the number of directors who must retire by rotation at the AGM. If no directors are scheduled to be elected under ASX Listing Rule 14.4, then at least one director must retire and be re-elected by securityholders. Normally, this would be the director (other than the Managing Director) who has held office the longest since being appointed or last being elected, or if elected on the same day, as agreed amongst themselves. Two directors have equally held office for the longest period since last being re-appointed on 4 June 2012, Ms Amanda Heyworth and Mr Philip Clark.

Ms Heyworth is retiring at this Meeting in accordance with the Constitution and being eligible, has offered herself for re-election.

Ms Heyworth is a professional company director. She previously served as Executive Director of Playford Capital Venture Capital Fund. She has a wealth of experience in the finance, technology and government sectors. Ms Heyworth brings a finance and growth focus to the Group, having worked on many product launches and geographic expansions and over 40 capital raisings and M&A transactions. She sits on a number of public sector and private boards.

Item 4: The Board unanimously (other than Ms Heyworth) recommends that Securityholders vote in favour of this resolution.

ITEM 5 – Ratification of issue of Stapled Securities

5.1 Background

On 24 September 2014, the Group announced a capital raising of a security placement to institutional investors. A total of up to 100,700,734 securities (**Placement Securities**) will be issued.

5.2 Reasons for resolution

The issue of the Placement Securities will be beneficial to the Group as the proceeds from the issue of the Placement Securities will provide the Group with funding for further acquisitions of Lifestyle Parks.

Listing Rule 7.1 restricts the number of Equity Securities which a listed entity may issue in any 12 month period, without the approval of Securityholders, to 15% of the number of securities on issue at the start of the period, subject to certain adjustments and permitted exceptions. Listing Rule 7.4 provides that an issue of securities is deemed to have been made with Securityholder approval if Listing Rule 7.1 is not breached at the time the securities were issued and Securityholders subsequently approve the issue.

Therefore, if Securityholders ratify the issue of the Placement Securities pursuant to Item 5, the Group will have the flexibility to issue further Equity Securities up to the 15% limit over the next 12 month period because the Placement Securities will not be counted for the purposes of the 15% limit set out in Listing Rule 7.1.

The following information is provided to Securityholders to allow them to assess Item 5, including for the purposes of Listing Rule 7.5:

- The number of securities to be allotted and issued: Up to 100,700,734.
- Issue price: \$0.45 per stapled security.
- Terms of the Securities: The Placement Securities allotted and issued will rank equally with the existing securities on issue.
- Allottees: The Placement Securities will be allotted and issued to Institutional investors.
- Intended use of funds raised: Funds raised from the issue of the Placement Securities will be used to fund acquisitions of Lifestyle Parks.

5.3 Voting Exclusion Statement

The Company will disregard any votes cast on Item 5 by any person who may participate in the issue of the Placement Securities under this item and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of securities, if the resolution is passed, and any associates of those persons. However the Company will not disregard a vote if it is cast by a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under the security placement. Therefore, no existing Shareholders will be excluded from voting on the resolution in Item 5.

Item 5: The Board unanimously recommends that Securityholders vote in favour of this resolution.

Notice of Meetings 2014

Ingenia Communities Group AGM

ITEM 6 - Approval to issue securities under the Ingenia Communities Rights Plan

6.1 Background

Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12 month period without requiring Securityholder approval. Listing Rule 7.2 allows certain issues of securities to be excluded from the calculation of the number of securities issued in the 12 month period, including under exception 9(b), where an issue is made under an employee incentive plan, if within three years before the date of issue, the terms of the plan are approved by Securityholders.

The resolution of Item 6 proposes that Securityholders consider and approve the Ingenia Communities Rights Plan (**Rights Plan**) in accordance with Listing Rule 7.2, exception 9(b), which would enable securities issued under the Rights Plan over the next three years to be excluded from any calculation of securities for the purposes of Listing Rule 7.1.

The Rights Plan provides for the issuance of Rights which, upon a determination by the Board that the performance conditions attached to the Rights have been met, will result in the issue of stapled securities in the Group for each Right.

No securities have been issued under the Plan and the Plan has not previously been approved by Securityholders.

Under the previous Long Term Incentive Plan, the following securities were issued:

Retention Quantum Rights:	2012/13: 1,818,000 (all of which have vested); and
Performance Quantum Rights:	2012/13: 3,842,000 2013/14: 3,716,000

6.2 Summary of the terms of the Ingenia Communities Rights Plan

The object of the Rights Plan is to:

- align the interests of Eligible Employees with those of securityholders;
- provide incentives to attract, retain and/or motivate Eligible Employees in the interests of INA; and
- provide Eligible Employees with the opportunity to acquire Rights, and ultimately INA Securities, in accordance with these Rules.

A summary of the terms of the Rights Plan are outlined below.

Grant of Rights: The Board has discretion to grant rights to Eligible Employees on the terms of the Rights Plan and such additional terms and conditions that the Board determines. Unless the Board determines otherwise, no payment is required for the grant of Rights under the Rights Plan.

Eligible Participants: The eligible participants under the Rights Plan are employees of the Group (including Directors) or another person who are determined by the Board to be eligible participants for the purposes of the Rights Plan.

In accordance with the Listing Rules, prior Securityholder approval will be required before any Director or related party of the Group can participate in the Rights Plan and be granted Rights.

- the number or maximum value of Rights being offered, or the method for determining the number or maximum value;
- any applicable Conditions and the applicable Period;
- the time or times at which Rights may vest;
- any amount that will be payable upon vesting of a Right (if applicable);
- the period or periods during which Rights may be exercised and the manner of exercise of the Rights (if applicable);
- the date, time and circumstances when Rights lapse; and
- any other relevant terms and conditions attaching to the Rights or INA Securities held under the Rights Plan (including, for example, any restrictions on transfer of the INA Securities).

Title to Rights: Unless the Board determines otherwise, a Right may only be registered in the name of a Participant. A Right granted under, and subject to, these Rules is only transferable with the consent of the Board or by a court of law. Where a Participant purports to transfer a Right other than in accordance with these rules the Right immediately lapses.

Prohibition against hedging: A participant in the Rights Plan must not enter into any scheme, arrangement or agreement (including options and derivative products) under which the economic benefit to be derived from Rights that remain subject to these Rules are affected, otherwise the Rights will immediately lapse.

Vesting and lapse of Rights: Subject to Board discretion, cessation of employment, fraud or dishonesty, reorganisations and divestment, change of control and Board powers, a Right granted under the Rights Plan will not vest unless the Conditions advised to the Participant have been satisfied. The Board may, in its discretion, determine that a Right vests prior to the date specified by the Board.

Subject to the Board's overriding discretion, an unvested Right granted to a Participant will lapse upon the earliest to occur of:

- the date specified by the Board;
- an event relating to title of the rights, cessation of employment, fraud or dishonesty, reorganisations and divestments or change of control;
- failure to meet the conditions by the end of the Period; or
- the seventh anniversary of the date the Right was granted.

Satisfaction of vested Rights: The Board will from time to time determine whether INA will, with respect to each vested Right:

- a. issue or procure the transfer to:
 - i. the Participant (or his or her personal representative); or
 - ii. a trustee who is to hold INA Securities on behalf of the Participant, of the number of INA Securities (including fractions of an INA Security) to which the Participant is entitled in respect of each Right as outlined in the terms of a grant or invitation which may include a formula for calculating the relevant number of INA Securities (**Equity Settled**); or
- b. pay a cash amount equivalent to the Market Price of an INA Security the vesting date multiplied by the number of INA Securities contemplated the conditions in full satisfaction of the INA Securities that would otherwise have been allocated on vesting of the Rights (**Cash Settled**).

Ranking of INA Securities: All INA Securities issued under the Rights Plan will rank equally in all respects with other INA Securities for the time being on issue, except with regard to any rights attaching to such other INA Securities by reference to a record date prior to the date of allocation of those INA Securities.

Listing on ASX: INA will apply for quotation of INA Securities issued under the Rights Plan within the period required by ASX.

Transfer restrictions: The Board may, in its discretion, impose any trading or other restrictions in respect of INA Securities issued or transferred on the vesting of Rights. The Board must provide a Participant with details of any such restrictions at the time of a grant or invitation. The Board may implement any procedure it considers appropriate to restrict a Participant from trading in INA Securities while they remain subject to these Rules including, without limitation, imposing a holding lock on the INA Securities or arranging for the INA Securities to be held on trust.

Cessation of employment: Where a Participant holding unvested Rights ceases to be an employee of the Group, those Rights immediately lapse. Notwithstanding this, where a Participant holding unvested Rights ceases to be an employee of the Group due to a Qualifying Reason, the Board may, in its discretion, determine the treatment of those unvested Rights.

Forfeiture of INA Securities allocated on vesting of Rights: The Board may, at its discretion, determine that a Participant will forfeit his or her interest in any INA Securities that are allocated to the Participant on vesting of Rights that are subject to an additional holding restriction if, during such restriction period, the Participant:

- a. resigns;
- b. is dismissed for cause; or
- c. is terminated in circumstances that, in the opinion of the Board, involve a failure by the Participant to meet acceptable performance requirements in connection with his or her employment.

For the purposes of this Rights Plan, a Participant will only be treated as ceasing employment when the Participant is no longer an employee of the Group.

Capital reorganisation: If:

- a. INA Securities are issued pro rata to INA's Securityholders generally by way of a bonus issue;
- b. INA Securities are offered to INA's Securityholders by way of a rights issue; or
- c. any reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of INA is effected, then:
the number of Rights to which each Participant is entitled will be adjusted in the manner determined by the Board in order to minimise or eliminate any material advantage or disadvantage to the Participant. Any new Rights granted will, unless the Board determines otherwise, be subject to the same terms and conditions as the original Rights.

Divestment of material business or subsidiary: Where the Group divests a business designated by the Board for this purpose as 'material', the Board may determine special rules that apply to Participants of that business in relation to the Rights or INA Securities held pursuant to the Rights Plan (and any other entitlements that may arise in relation to those INA Securities). Without limiting the Board's discretion, such rules may include:

- a. varying the Conditions and/or Period applying to the Participant's Rights to take into account the divestment of the business; and
- b. deeming that the Participant remains a Group employee for a specified period.

Takeover bid or scheme of arrangement: If an Event occurs prior to Rights vesting then the Board may, in its absolute discretion, determine whether:

- a. some or all unvested Rights vest or lapse (whether subject to Conditions or not); or
- b. some or all of the unvested Rights remain subject to the applicable Conditions (or substitute Conditions), having regard to any matter the Board considers relevant, including, without limitation, the circumstances of the Event, the extent to which the applicable Conditions have been satisfied and/or the proportion of the Period that has elapsed at that time.

If an Event occurs after Rights vest, all INA Securities issued or transferred (as applicable) on vesting of the Rights that remain subject to a trading restriction under the Rights Plan will be released from restriction.

An Event occurs where:

- a. a Takeover Bid is made for Ingenia and the Board resolves to recommend the bid; or
- b. a Takeover Bid is made for Ingenia and the bid is declared unconditional at a time prior to the bidder being entitled to 50% of the issued INA Securities in Ingenia; or
- c. a court convenes a meeting of Securityholders to be held to vote on a proposed scheme of arrangement pursuant to which control of the majority of INA Securities may change; or
- d. any transaction or event is proposed that, in the opinion of the Board, may result in a person becoming entitled to exercise control over Ingenia.

Notice of Meetings 2014

Ingenia Communities Group AGM

Acquisition of securities in another company: If a company (the Acquiring Company) obtains control of INA and each of INA, the Acquiring Company and the Participant agree, then a Participant may be provided with securities in the Acquiring Company (or its parent or subsidiary) in substitution for Rights, on substantially the same terms and conditions as the Rights, but with appropriate adjustments to the number and kind of securities the subject of the Rights.

Amendment of the Rules: The Board may at any time, amend, add to, vary, omit from or substitute any of these Rules, provided that any such amendment may not materially reduce or otherwise prejudicially affect the rights attaching to the Rights granted or the INA Securities issued or transferred (as applicable) pursuant to, and still subject to, the Rights Plan, other than an amendment introduced primarily:

- for the purpose of complying with or conforming to present or future State or Commonwealth legislation;
- to correct any manifest error or mistake; or
- to take into consideration possible adverse tax implications for Ingenia or the Participant arising from, amongst other things, adverse rulings from the Commissioner of Taxation, changes to tax legislation (including an official announcement by the Commonwealth of Australia) and/or changes in the interpretation of tax legislation by a court or tribunal of competent jurisdiction.

Board powers: The Board has absolute and unfettered discretion in exercising any power or discretion concerning the Rights Plan.

Item 6: The Board unanimously recommends that Securityholders vote in favour of this resolution.

Voting exclusion

The Company will disregard any votes cast on the proposed Item 6 by any Director of the Company (except one who is ineligible to participate in the Rights Plan and any associate of any such persons. However, the Company need not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy does.

In addition, no KMP of the Company or a closely related party of such a member may vote as a proxy on the proposed Item 6 unless:

- the person votes as a proxy appointed by writing that specifies how the person is to vote on the proposed Item 6; or
- the person is the Chairman and votes as a proxy appointed by writing that authorises the Chairman to vote on the proposed Item 6 even though the resolution is connected directly or indirectly with the remuneration of key management personnel of the Company.

ITEM 7 and 8: Grant of Short Term Incentive Plan Rights and Long Term Incentive Plan Rights to Simon Owen

The terms of Mr Owen's employment contract with Ingenia entitles him to participate in the Ingenia Communities Rights Plan (**Rights Plan**). The Board has proposed that for the year ended 30 June 2015, Mr Owen be eligible for Short Term Incentive Plan (**STIP**) rights and Long Term Incentive Plan (**LTIP**) rights.

The intention of the Rights Plan is to align Securityholder returns of Ingenia Communities Group with the 'at-risk' compensation potentially payable to executive level employees and reward executives who remain in employment and perform at the required levels of performance.

For the year ended 30 June 2015, Mr Owen's remuneration comprises the following components:

- fixed remuneration, including statutory superannuation of \$650,000 per annum;
- an at-risk short term incentive of up to 80% of fixed remuneration as a maximum, with half in cash and the remaining half in Rights to units and deferred for 12 months; and
- an at-risk long term incentive of up to 50% of fixed remuneration in Rights to units, as a maximum.

The at risk deferred portion of the short term incentive and the at risk long term incentive are granted under the Rights Plan and subject to the rules of that plan, in addition to the terms and conditions outlined below.

As disclosed in the Group's 2014 Annual Report, Ingenia engaged external remuneration consultants to provide market benchmarking of senior executive remuneration, including for Mr Owen. The consultants also provided advice in relation Mr Owen's base remuneration and incentive schemes.

STIP Award

The amount of the short term incentive (**STI**) which Mr Owen is entitled to receive will be determined by the Board, having regard to an assessment of the STIP Performance Conditions set out below following the end of the STI Performance Period (being from 1 July 2014 to 30 June 2015) (**STIP Award**).

The STIP Award is comprised of two components:

- 50% in cash (**STIP Cash Award**); and
- 50% in Rights to INA Securities (**STIP Rights**).

STIP Cash Award

It is intended that the STIP Cash Award will be paid on or about 1 October 2015, provided that Mr Owen continues to qualify for the STI.

STIP Rights

The grant of STIP Rights to Mr Owen is subject to Securityholder approval. The number of STIP Rights to be granted to Mr Owen will be determined by dividing 50% of the actual STIP Award (determined following testing against the STIP Performance Conditions) by the volume weighted average price of INA Securities for the 30 trading days prior to the grant date (expected to be on or about 1 October 2015).

Total maximum STI Award: \$520,000

50% of STI Award: \$260,000

STIP Rights to be granted: \$260,000 divided by the volume weighted average price of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2015).

For example if the volume weighted average price of INA Securities for the 30 days prior to the grant date was \$0.475 and the Board determined that Mr Owen was entitled to the full 50% of his STI Award, then 547,368 rights would be granted.

No amount is payable in return for the grant of the STIP Rights.

Vesting of STIP Rights

The following terms and conditions apply to the STIP Rights:

- The STIP Rights are subject to a 'malus' provision during the deferral period – this means that some or all of the STIP Rights may lapse (and Mr Owen will not receive INA Securities) if:
 - the Board forms the view that INA's earnings growth is not sustainable (in general, this will require earnings growth to be equal to or above 5% on the prior year); or
 - any of the circumstances set out in rules of the Rights Plan occur such as fraud or dishonesty, a breach of obligations or material misstatement of INA's financial statements.
- The STIP Rights are subject to a one-year deferral period and are eligible to vest on the date that is twelve months following the grant date.
- On the vesting date, INA will cause the relevant number of INA Securities to be issued or transferred to Mr Owen as determined in accordance with the Rights Conversion Formula outlined below.
- No amount is payable in return for the issue or transfer of INA Securities.

STIP Performance Conditions

The STIP Award is subject to the STIP Performance Conditions or Key Performance Indicators (**KPIs**). In each case, the KPIs are set with 'threshold', 'target' and 'stretch' performance levels (with entitlements calculated on a pro-rata basis between these levels). The KPI's are broken into four broad assessment areas Financial, Capital Management, Operational and People and Reporting. Each assessment area is weighted to break down the award further. KPI's and their measures are related to the Assessment Areas.

LTIP Award

Grant of LTIP Rights

The grant date a date on and from the date of this Meeting and within 12 months of the date of this Meeting of LTIP Rights is expected to be 1 October 2014. The grant of LTIP Rights to Mr Owen is subject to Securityholder approval.

The maximum number of LTIP Rights to be granted will be calculated by dividing the LTIP Award opportunity (being a percentage of Mr Owen's total fixed remuneration) by the volume weighted average price of INA Securities for the 30 trading days prior to the grant date (expected to be on or about 1 October 2015).

Maximum LTIP Rights to be granted: \$325,000 divided by the volume weighted average price of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2014).

For example if the volume weighted average price of INA Securities for the 30 days prior to the grant date was \$0.475, then 684,211 rights would be granted.

No amount is payable in return for the grant of the LTIP Rights.

Vesting of LTIP Rights

Mr Owen's LTIP Rights will vest, to the extent that the Performance Condition set out below is satisfied at the end of the LTI Performance Period (being from 1 October 2014 to 30 September 2017).

The following terms and conditions apply to Mr Owen's LTIP Rights:

- The LTIP Rights are subject to a 'malus' provision during the deferral period – this means that some or all of Mr Owen's LTIP Rights may lapse (and he will not receive INA Securities) if any of the circumstances set out in rules of the Rights Plan occur such as fraud or dishonesty, a breach of obligations or material misstatement of INA's financial statements.
- On the vesting date, Ingenia will cause the relevant number of INA Securities to be issued or transferred to Mr Owen as determined in accordance with the Rights Conversion Formula outlined below.
- No amount is payable in return for the issue or transfer of INA Securities to you.

LTIP Performance Condition

The LTIP Rights are subject to the LTIP Performance Condition which is based on growth in INA's Total Securityholder Return (**TSR**) relative to the ASX300 Industrials Index (**Index**) return over the LTI Performance Period.

TSR is the growth in the security price plus distributions, assuming distributions are reinvested. To minimise the impact of any short-term volatility, Ingenia's TSR will be calculated using the weighted average of the closing security price over the 30 days up to and including the trading day prior to the start and the 30 days up to and including the end trading day of the LTI Performance Period.

Notice of Meetings 2014

Ingenia Communities Group AGM

The LTIP Rights will vest on the following basis:

	Growth rate in INA's TSR	% of LTIP Rights that vest
At or below Threshold	Equal to or less than Index + 1% CAGR	nil
Between Threshold and Maximum	Between Index + 1% and Index + 6% CAGR	10% plus an additional amount progressively vesting on a straight line basis between Threshold and Maximum
Maximum	Index + 6% CAGR	100%

Rights Conversion Formula

Each vested STIP Right and LTIP Right (as relevant) entitles Mr Owen to receive one INA Security plus an additional number of INA Securities calculated on the basis of the distributions that would have been paid in respect of the INA Security during the relevant Period being reinvested in accordance with the following Rights Conversion Formula:

$$\text{INA Security entitlement} \stackrel{\text{def}}{=} E = \left(1 + \frac{\text{dis}_1}{P_{\text{dis}_1}}\right) * \left(1 + \frac{\text{dis}_2}{P_{\text{dis}_2}}\right) * \dots * \left(1 + \frac{\text{dis}_n}{P_{\text{dis}_n}}\right)$$

where:

- E is the entitlement conversion factor;
- $\text{dis}_1, \text{dis}_2, \dots, \text{dis}_n$ are the distributions paid on an INA Security over the Period (with n being the total number of distributions paid over that Period);
- $P_{\text{dis}_1}, P_{\text{dis}_2}, \dots, P_{\text{dis}_n}$ are the end-of-day prices on the date that the distributions are paid (i.e. immediate reinvestment of distributions on the distribution date).

The total number of INA Securities that Mr Owen will receive upon vesting of the STIP Rights and/or the LTIP Rights will be the number of vested Rights converted multiplied by E , with the result rounded up to the nearest whole number.

Securityholder approval

ASX Listing Rule 10.14 requires Securityholder approval before a director can acquire securities or rights to securities under an employee incentive scheme. Approval from Securityholders is being sought to grant rights to Mr Owen under the Ingenia Communities' Rights Plan in respect of the period commencing on and from the date of this Meeting, with any rights issued within 12 months of the date of this Meeting.

Information required by ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires the following information to be disclosed in relation to the Rights to be granted to Mr Owen under the Rights Plan:

i. Maximum number of rights and Stapled Securities

The maximum number of rights that may be granted to Mr Owen within 12 months of this Meeting is the sum of the maximum STIP Rights and LTIP Rights to be granted. The maximum STIP and LTIP rights to be granted are calculated as follows:

RESOLUTION 7:

Maximum STIP Rights to be granted: \$260,000 ÷ volume weighted average price of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2015).

RESOLUTION 8:

Maximum LTIP Rights to be granted: \$325,000 ÷ volume weighted average price of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2014).

Thus, for example if the volume weighted average price of INA Securities for the 30 days prior to the grant date was \$0.475, then 547,368 STIP Rights and 684,211 LTIP Rights totalling 1,231,579 rights would be granted.

After the grant of rights, the number of Stapled Securities that Mr Owen may receive at the end of the vesting period on the vesting date will be determined having regard to the satisfaction of performance conditions and the rights conversion formulae.

On vesting of the Rights, the Board will decide on or around the vesting day whether entitlements to securities will be Equity Settled or Cash Settled.

ii. Price for each Right (and the price for each INA Security that vests in Mr Owen)

No payment for the Rights and upon vesting of the Rights is required by Mr Owen.

iii. Persons who received securities under the Rights Plan since the last approval

No rights have been previously issued under this Rights Plan but under the previous Long Term Incentive Plan, the following securities were issued to Mr Owen:

Retention Quantum Rights:	2012/13: 1,070,000 (all of which have vested); and
Performance Quantum Rights:	2012/13: 2,260,000 2013/14: 2,460,000

These rights were issued on the terms outlined in the Company's Remuneration Report contained in the 2014 Annual Report.

Other key management personnel who received rights under the Rights Plan in relation to the financial year ended 30 June 2015 were Ms Tania Betts and Ms Nikki Fisher. The maximum number of Rights that they will receive is as follows:

Rights	Ms Tania Betts	Ms Nikki Fisher ¹
STI Rights	\$65,600 ÷ 30 day VWAP ²	\$63,000 ÷ 30 day VWAP ²
LTI Rights	\$65,600 ÷ 30 day VWAP ²	\$63,000 ÷ 30 day VWAP ²

1. Pro-rata for 4 days per week.

2. Volume weighted average price of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2015).

No payment for the granting of the Rights was required by Ms Betts or Ms Fisher.

The granting of these Rights did not require Securityholder approval. The details of these are outlined in the Company's Remuneration Report contained in the 2014 Annual Report.

iv. Persons who are entitled to participate in the Rights Plan

The eligible participants under the Rights Plan are employees of the Group (including Directors) or others who are determined by the Board to be eligible participants for the purposes of the Rights Plan. Simon Owen (Managing Director and Chief Executive Officer), Tania Betts (Chief Financial Officer) and Nikki Fisher (Chief Operating Officer) are entitled and eligible to participate in the Rights Plan under the terms of their employment contracts and are KMP. The Board has agreed that other nominated members of the executive management team may participate in deferred equity STIP under the Rights Plan in 2014-15, rather than receiving the whole of their performance remuneration in cash. Those employees are not eligible to participate under the terms of their employment contracts but at the discretion of the Board. The Board has approved participation in deferred STIP as outlined in the above table, and may decide to approve participation of additional senior executive personnel who are recruited during the year.

v. Terms of any related loan

There is no loan provided in relation to the acquisition of the Rights by Mr Owen.

vi. Issue date of Rights

The Rights will be granted to Mr Owen no earlier than the date of this Meeting and no later than 30 June 2015, on the conditions described in the Explanatory Notes.

Voting exclusion

The Company will disregard any votes cast on the proposed Items 7 and 8 by any Director of the Company (except one who is ineligible to participate in any employee incentive scheme in relation to the Company), including Mr Owen and any associate of any such persons. However, the Company need not disregard a vote if:

- a. it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- b. it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy does.

In addition, no key management personnel of the Company or a closely related party of such a member may vote as a proxy on the proposed Items 7 and 8 unless:

- a. the person votes as a proxy appointed by writing that specifies how the person is to vote on the proposed Item 6; or
- b. the person is the Chairman and votes as a proxy appointed by writing that authorises the Chairman to vote on the proposed Item 7 and 8 even though the resolution is connected directly or indirectly with the remuneration of key management personnel of the Company.

Items 7 and 8: The Board unanimously (other than Mr Owen) recommends that Securityholders vote in favour of these resolutions.
