New community centre for
Ingenia Lifestyle The Grange, NSW

INGENIA LIFESTYLE Stoney Creek

MASTER PLAN

The Company gives no warranty or makes any representations about the accuracy of the information or representations made. Illustrations are representative only of the designs and to be used as a guide only. Future residential development is subject to relevant approvals. The information is provided solely as general information and the final product may differ from what is displayed.

Ingenia Lifestyle Stoney Creek

The conversion and upgrade of this former Western Sydney caravan park into an affordable over 50s residential community is almost complete.

The project now only has one home left to sell, with 122 new homes delivered, 117 settled and 5 currently deposited or contracted as at 30 June 2017.

A new entry statement has been installed and significant new landscaping established. In December 2016 a DA was approved for new community facilities, including a community and wellness centre, BBQ and pool, which are currently under construction.

The community offers a range of home configurations with the majority of the homes comprising 2 and 3 beds, 1.5 bath homes with single carports.

There is potential to add a further 37 homes on vacant land (subject to approvals).

Upon completion and subject to final Council approvals, Stoney Creek will comprise over 240 homes in one of Sydney's fastest growing residential corridors.

Ingenia Lifestyle Lake Macquarie

Ingenia acquired this mixed-use community in November 2013 with plans to convert the village to a pure residential community.

In November 2015 an application was lodged with Council to convert existing tourism and short-term rental accommodation into 15 new premium over 50's homes. Council approval was received in February 2016, paving the way for the creation of new community facilities in conjunction with additional new homes. This final stage commenced in June 2016 and works were complete in December 2016.

The first stage of the development, comprising 32 homes on adjacent land, was sold out in April 2016. The majority of the 15 Stage 2 homes have now been sold.

Investigations are underway for a final stage of up to 20 homes.

INGENIA LIFESTYLE Lake Macquarie

MASTER PLAN

Ingenia Lifestyle Chambers Pines

Chambers Pines is one of Ingenia's key growth projects and is forecast to be a major driver of new home sales over the next five years.

Chambers Pines comprises both an affordable over 50's residential home community and an all ages rental village with many value levers.

Since acquisition in March 2015, Ingenia has deposited, contracted or settled 42 homes. In addition, new rental units have been added to the all ages rental village.

In November 2015, the Group received Council approval to develop an additional 256 homes on land that was occupied by a nine hole

golf course. Works commenced in September 2016, with the first homes now complete and initial settlements prior to 30 June 2017.

Upon completion, Chambers Pines will be one of the largest land lease communities in South East Queensland.

Ingenia Lifestyle Lara

Ingenia Lifestyle Lara is one of Ingenia's key projects. Lara is centred around premium community facilities that include a \$3.5 million club house.

Since acquisition Ingenia has construction access road upgrades, and improved the overall presentation of the community.

The final stage of civil works has commenced and new homes

which draw from Ingenia's standard design suite are being built on site in this growing community.

A total of 34 homes were settled in FY17 with a further 17 homes contracted or deposited at 30 June 2017.

Upon completion, Lara will represent a masterplanned residential community of 233 homes.

The Company gives no warranty or makes any representations about the accuracy of the information or representations made. INGENIA LIFESTYLE
Bethania

AERIAL

Ingenia Lifestyle Bethania as at July 2017

Ingenia Lifestyle Bethania

Ingenia acquired the community in July 2015. On acquisition the community included 54 completed homes and approval for 76 additional homes.

Site civil works for a further 70 homes will be complete this year, as the first stage homes have been completed and further homes are under construction.

Since acquisition, Ingenia has also acquired two adjoining sites. This land has recently received approval for a further 188 homes on these sites, which will form the later stages of expansion.

Upon completion, Bethania will comprise over 300 homes and be one of Ingenia's and Brisbane's largest lifestyle communities.

Ingenia South West Rocks

Ingenia acquired South West Rocks, a mixed-use community located on the NSW Mid North Coast, in February 2016. On acquisition the community included 54 homes, 187 tourism sites and approval for 27 additional new homes.

South West Rocks is a picturesque waterfront location and upon completion will comprise over 100 new homes with a new community facility and a 187 site revitalised tourism park.

Since acquisition, 22 new homes have been delivered to site, new community facilities have been put in place and display homes have been furnished.

Homes comprise a mix of 2, 2.5 and 3 bedrooms.

Sales have been strong with 17 homes settled in FY17 and 31 homes deposited or contracted at 30 June 2017.

South West Rocks is a key development project for Ingenia in FY18.

INGENIA LIFESTYLE Chain Valley Bay

MASTER PLAN

Ingenia Lifestyle Chain Valley Bay

In 2015, Ingenia commenced a transformation of this rundown waterfront community, which is now a haven for downsizers wanting to escape and relax by the water.

Civil works, the community centre and landscaping works were complete in May 2016 and the first display homes were complete in June.

There are 48 homes which range in price based largely on location and include a Hamptons style theme in keeping with the waterfront location. Homes, are 2 bed and 2 bed plus study. Chain Valley Bay appeals to local buyers seeking a smaller boutique-style community with strong interest also coming from Newcastle. With the premium waterfront homes now all sold, prices range from \$270,000 to over \$329,000 for new homes on non waterfront lots.

Over the past 12 months, 22 homes settled with a further thirteen homes deposited or contracted at 30 June 2017.

A DA has been lodged for a further 12 permanent homes to replace the remaining decommissioned tourism sites. This will take the total number of homes to 60 in this boutique community.

Ingenia Hunter Valley

Located on the doorstep of the Hunter Valley vineyards Ingenia Hunter Valley offers an affordable and secure community for downsizers wanting to create a home base.

Ingenia's vision for this former caravan park is to create an integrated mixed-use community comprising 64 affordable over 50's homes and a revitalised tourism park catering to the Hunter Valley's strong short-term accommodation market.

An approval is in place for 64 permanent sites and a new community facility and entry statement.

Construction on the community centre is complete and civil works for the next stage commenced in 2017. New homes sit on lots averaging 185 sqm and comprise spacious 2 and 3 bedroom homes.

Homes are for sale from \$230,000 to over \$300,000.

Ingenia Albury

Ingenia's vision for this former caravan park is an integrated mixed-use community comprising affordable over 50's homes and a revitalised tourism park catering to Albury's strong drive-thru and group based tourist market.

In September 2015, Ingenia received final Council approval for the Group's masterplan for this mixed-use park. To date, 28 new homes have been delivered and 23 deposited, contracted or settled with prices ranging from \$189,000 to \$252,000.

Ingenia Lifestyle The Grange

Ingenia Lifestyle The Grange was Ingenia's first acquisition in the lifestyle and holidays portfolio. Since acquisition in 2013 Ingenia has added new homes on infill sites and is now commencing an expansion of this successful community.

Located in Morriston on the NSW Central Coast, and close to Ingenia Lifestyle Lake Macquarie, The Grange now has approval for the addition of 56 new homes now under construction on vacant land.

The development, in addition to offering new homes, includes a new community centre and manager's residence which were completed in mid 2017.

The early works programme has been completed and major works are underway with the five new display homes now on site.

Sales will commence in the first half of FY18, with the first settlements over the 2018 financial year

Ingenia Holidays Lake Conjola

Ingenia Holidays Lake Conjola, one of the premier tourism parks on the NSW South Coast, was acquired in September 2015. On acquisition Ingenia identified the opportunity to capitalise on this picturesque location to add a separate permanent living precinct.

In August 2016 Ingenia lodged a Development Application for 114 new homes and associated community facilities to be located on land which had originally been used as a nine hole golf course for guests. Council approval was received in April 2017 and construction is scheduled to commence in late 2017.

The new permanent precinct for seniors will be accessed via a separate entry and is expected to appeal to locals and downsizers from Wollongong, Canberra and Sydney.

Initial deposits have already been received for almost two thirds of the first stage of 33 homes.

Ingenia Lifestyle Latitude One

Latitude One, a 29.2 hectare site in Port Stephens, is Ingenia's first greenfield development.

Ingenia acquired the site, which had approvals in place for a masterplanned community comprising 229 lifestyle homes and community facilities, in December 2016.

Following approval to build the homes on site, Ingenia commenced works in mid 2017, with on site construction of 30 homes to form part of the first stage of the development along with community facilities. The first settlements are expected to commence towards the end of FY18.

Surrounded by natural beauty, Latitude One is located in Anna Bay, NSW and offers a sea change for over 55s looking to downsize.

Ingenia Avina

Ingenia Holidays Avina was acquired in October 2016. Comprising an existing 180 site mixed-use community and over 14 hectares of vacant land, the site offers the potential for development of a large-scale permanent community.

A DA was lodged with council for the addition of 247 new home sites and associated community facilities in September 2016.

The DA is expected to go to the Joint Regional Planning Panel (JRPP) for assessment in the second half of 2017.

Since Ingenia acquired the site, the NSW Department of Planning has announced plans for the development of a large-scale community with associated infrastructure upgrades adjacent to the site at Vineyard.

The development of the first homes is expected to commence in early 2018 (subject to approvals).
