Acquisition of InvestSmart

Australasian Wealth Investments Limited (**ASX Code:** AWK) has settled its acquisition of InvestSMART from Fairfax Media Limited [ASX:FXJ] for a cash consideration of \$7.0 million.

InvestSMART, established in 1999 and acquired by Fairfax in 2007, is an online financial services portal in Australia, providing self-directed investors with low cost access to financial information and products. The sale agreement contains plans to maintain a commercial relationship between Fairfax and InvestSMART, including the sale of display advertising on InvestSMART.com.au and the promotion of Fairfax products and services to the InvestSMART client base.

Enquiries in relation to the acquisition should be directed to Mr Andrew Barnes on:

Telephone: +64 9927 9503
Mobile: +64 275 781 402

Yours faithfully
Australasian Wealth Investments Limited
