About IPD Group

IPD is a national distributor and service provider to the Australian electrical market. IPD's core focus in the products division is the sale of electrical infrastructure products to customers including switchboard manufacturers, electrical wholesalers, electrical contractors, power utilities, OEMs and system integrators. In addition to selling products, IPD provides a range of value-added services, including custom assembly, sourcing, engineering design, technical compliance, procurement, transport, storage, regulatory management, technical support, packaging, labelling, inventory management and delivery. IPD Group operations in nine locations across six states, providing a truly national offering to its customer base.
