Dear Sir or Madam

MF GLOBAL

As has been reported elsewhere, MF Global ("MF") was recently placed under Administration. MF was a client of IRESS in both our Australian and Asian divisions.

At the time the Administrator was appointed, the IRESS group was owed approximately $550,000. MF's debtor position falls within IRESS' current bad debt provision, and in due course appropriate adjustments to refresh the doubtful debt provisions will be made.

At present we are unaware of the Administrator's intentions in relation to the underlying business, or view on the distribution (if any) to unsecured creditors.

In relation to recurring revenue, MF represented approximately 1.0% of revenue per annum (net of third party pass through). It is however too early to ascertain what (if any) revenue will relocate.

Yours sincerely

Peter Ferguson
