

MARKET ANNOUNCEMENT

Appointment of Interim Chief Financial Officer

Sydney, 27 July 2022 – Integrated Research (ASX: IRI), a leading global provider of user experience and performance management solutions for payment transactions and collaboration systems is pleased to announce the appointment of Matthew Walton as Interim Chief Financial Officer (CFO).

Matthew's appointment will take effect immediately, working alongside outgoing CFO, Peter Adams to ensure a seamless transition until a permanent appointment is announced.

Matthew brings extensive experience as a senior finance executive, with a strong operational, commercial and strategic focus. He was formerly CFO at GBST, a trusted name in technology innovation for many of the world's leading financial services brands. Prior to that, he was the interim CFO at eftpos Payments Australia, leading the function through a transformation agenda. Matthew was also CFO at Afterpay during the period of the Afterpay Touchcorp merger, and has also held finance roles at Westpac and BT Financial Group as Head of Finance.

Matthew is CPA qualified and a Graduate member of the Australian Institute of Company Directors. He graduated with a Bachelor of Science from the University of Sydney and has an MBA from the Macquarie Graduate School of Management.

Commenting on the appointment, Chairman, Peter Lloyd said: "I would like to welcome Matthew to the executive leadership team. He comes to Integrated Research with a wealth of knowledge and experience in the information technology and payments industries and we look forward to his contribution."

"The Board will continue to keep the market informed of developments regarding the appointment of a permanent CFO."

By Authority of the Board.
