About Janison

Janison is transforming education through technology to unlock the potential in every learner. Our team empowers teachers, students, accreditation bodies and governments to achieve meaningful educational outcomes by measuring progress and providing insights. Founded 20 years ago, we are an Australian owned EdTech pioneer delivering more than 8.7 million assessments annually in over 117 countries. Our technology supports our commitment to equity and accessibility for all.

Janison Solutions

A market-leading full-suite standardised assessment platform for high-stakes and high-scale online exams with the capability to author, test, mark and provide insightful analysis in a highly secure and scalable manner with equity and accessibility considerations for all students. The platform is used by millions of users globally across 117 countries each year in schools, professional accreditation bodies such as the Chartered Accountants ANZ, and education departments such as the NSW Department of Education. The platform allows remote exam delivery using proctoring capability to ensure the confidence and exam integrity required for high-stakes assessments.

Janison Exam Management – Janison prides itself on its world-class professional services and exam know-how to aid clients in onboarding, transitioning and event delivery. Janison provides customers with a range of exam services including test development, exam management, software implementation, training and support for customers all around the world.

Janison Assessments

A range of world-class school assessment products including the ICAS competition, Reach, Jet, Scout, QATs and AAS, all developed in-house by world-leading test- and item developers.

PISA for Schools

An exclusive agreement to deliver PISA for Schools globally in partnership with the OECD. This online high school test provides educators with the best available evidence drawn from best available data sets to inform best practice in schools. It is unique in that it uses the gold standard PISA-based scale for global benchmarking, and blends assessment of cognitive and social emotional skills.
