JCURVE SOLUTIONS HONOURED IN THE AUSTRALIAN BUSINESS AWARDS

JCurve Solutions has been recognised as an Employer of Choice in The Australian Business Awards 2016.

Stephen Canning, CEO of JCurve Solutions (ASX: JCS) says the award recognises our continuous commitment to investing in our people, our culture and our values.

“This is a great win for the whole team at JCurve Solutions to be recognised as one of Australia’s best employers. We strive to attract and retain top talent and this is one of the reasons JCurve Solutions is such an awesome place to work”.

“Together, the team have built a fantastic culture of success focused around our company values. This has resulted in employee engagement being at an all time high as we continue to achieve impressive growth results.”

“The Australian Business Awards is proud to recognise employers who continue to transform what it means to be an effective employer. These organisations have maximised the potential of their workforces by adopting approaches predicated on employee engagement and workplace improvement,” said Australian Business Awards Program Director, Ms Tara Johnston.

“The fast-paced world of modern business demands dynamic workplace environments that enable creativity and innovation. Organisations that closely tie these values to their culture and leadership can provide employees with challenging and rewarding workplaces,” Ms Johnston added.

Entrant organisations are required to demonstrate their achievements in line with these core values across the key areas of Organisational Culture; Leadership and Strategy; Employee Education, Training and Development; Employee Health, Safety and Satisfaction; Performance Management; Recognition and Remuneration.

JCurve Solutions was also honoured as an ABA100 Winner in the Product Awards: Cloud Innovation and Product Excellence categories in 2016 for the Cloud ERP product.
