About Jindalee

Jindalee Resources Limited (ASX: JRL) is an exploration company with direct and indirect exposure to lithium, gold, base and strategic metals, iron ore, uranium and magnesite through projects generated by the Company's technical team. Jindalee has a track record of rewarding shareholders, including priority entitlements to several successful IPO's and payment of a special dividend

About Dynamic Metals

Dynamic Metals Limited (Proposed ASX code: DYM) is a spin-out of Jindalee Resources Limited's non-core Australian exploration assets, highly prospective for lithium, nickel and gold. In addition to the exploration assets, the Company also holds an interest in several farm-in and Joint Venture agreements across Australia.

The prospectus for the IPO is available on Dynamic's website (www.dynamicmetals.com.au). Offers of shares will be made in, or accompanied by, a copy of the prospectus. A person should consider the prospectus in deciding whether to acquire the shares. Applications under the IPO may only be made on the application form accompanying the Prospectus.
