Correction to ASX Announcement "Results of the second drilling campaign at Tuckabianna February 2004" released 11.30 am EST 29 March 2004

In the text of the above announcement, on page 3, "Drill results", an intersection in WRD 5 was incorrectly given as 5m @ 5.46g/t. This should have read 3m @ 5.46g/t.

This result is correctly given in the associated Table 1, and in the summary "Good Drilling Results at Tuckabianna"

We apologise for this error
