ASX Companies Announcements

8<sup>th</sup> April, 2005

Mariner Wealth Management Limited is pleased to announce the appointment of Andrew Brown to its Board with immediate effect.

Andrew has significant funds management experience as an analyst and fund manager at AMP, where he helped pioneer the successful "capital approach" investment style, and as the former Head of Equities at Rothschild Australia Asset Management ("RAAM"). At RAAM, he was responsible for re-engineering Rothschild's equity portfolios, played a significant role in forging close relationships between Rothschild and leading financial planning groups and was an integral part of the rebuilding of the business, which was acquired by Westpac Banking Corporation in June 2002. After leaving RAAM's successor company, Sagitta Wealth Management Limited, in January 2003, Andrew established Trent Capital an ASX listed strategic investment company. He has been involved in stockbroking, funds management and corporate investment for 24 years and is the Chairman of ASX listed companies G Retail Limited, Snowball Group and Signature Brands, and a non Executive Director of Cheviot Bridge Limited.
