Keybridge Capital Limited (Keybridge) refers to its previous announcements regarding the early redemption of its CRPN.

Keybridge has determined to redeem 2,000,000 of the outstanding early redemption CRPN requests for cash plus accrued interest to date. This reduces the outstanding early redemption CRPN requests to 2,517,153 notes.

This redemption payment will be allocated proportionally over the two remaining redeemers, which satisfies 44.3% of their requests.

Keybridge will update the market shortly in relation to its processing of the balance of requests.
