Dear Kobe,

Request for Trading Suspension

I refer to our previous request for a trading suspension in order for the company to complete a capital raising. Kentor Gold Limited (ASX Code: KGL) now requests an additional day's suspension of trading in its securities.

For the purposes of listing rule 17.1, Kentor provides the following information:

- Kentor is in the process of undertaking a capital raising and requires one additional day to finalise the transaction.
- It is expected that Kentor will recommence trading, at the latest, 10am, Tuesday 17 July 2012 unless an announcement is made prior to this time.
- Kentor is not aware of any reason why the trading suspension should not be granted.
