- (e) **Clauses 8.6(b) to 8.6(c)** do not apply to any obligation or liability of the Trustee to the extent that it is not satisfied because there is a reduction in the extent of the Trustee's indemnification out of the assets of the Trust, as a result of the Trustee's fraud, negligence or breach of trust.

8.6 Trustees

- (a) If a party is a trustee of a trust ("Trustee"), it enters into this Deed only in its capacity as trustee of the relevant trust and in no other capacity. A liability arising under or in connection with this Deed can be enforced against a Trustee only to the extent to which it can be satisfied out of assets of the relevant trust out of which the Trustee is actually indemnified for the liability. This limitation on recovery against the Trustee applies despite any other provision of this Deed or any other document and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed.
- (b) The parties other than a Trustee may not sue a Trustee in any capacity other than as trustee of the relevant trust, including seeking the appointment of a receiver (except in relation to property of the relevant trust), a liquidator, an administrator,

or any similar person to that Trustee or prove in the liquidation, administration or arrangement of or affecting that Trustee (except in relation to property of the relevant trust).

- (c) No attorney, agent, receiver or receiver and manager appointed in accordance with this Deed has authority to act on behalf of a Trustee in a way which exposes that Trustee to any personal liability.
- (d) A Trustee is not obliged to do or refrain from doing anything under this Deed (including, without limitation, incur any liability) unless that Trustee's exposure to claims is limited in the same manner as set out in clauses 8.6(a) to 8.6(c).
- (e) Clauses 8.6(b) to 8.6(c) do not apply to any obligation or liability of the Trustee to the extent that it is not satisfied because there is a reduction in the extent of the Trustee's indemnification out of the assets of the Trust, as a result of the Trustee's fraud, negligence or breach of trust.
