CHIEF EXECUTIVE OFFICER COMMENCES

The Board of CV Check Ltd (ASX:CV1) (Company or CV1) is pleased to announce that Michael Ivanchenko has commenced as Chief Executive Officer of the Company from today.

Michael Ivanchenko commented, "I am tremendously excited to be able to start today as leader of a company with such potential. As the recently announced annual report shows, this is a business in great shape, with opportunities for growth. I am relishing the chance to harness the energy, insight, and experience of the team to deliver them success as the Company becomes a key player in the global Reg Tech market.

Due to WA's lockdown rules, at first, I will be joining the rest of our distributed workforce, before arriving in Perth in a few weeks' time. I look forward to continuing the smooth process of integrating into the business."

As previously communicated, this appointment has been a priority focus of the Board and comes following a comprehensive search and selection process. Michael is an internationally experienced, highly capable executive with a record of driving profitable growth through the development and deployment of significant SaaS products. He has deep experience in rapidly developing B2B and B2C technology sectors. On a global scale, he has led product and sales teams across Asia-Pacific, the US and Europe.

Ivan Gustavino has been acting as CVCheck's Executive Chair since April 2021. He has now stepped down from that role, and resumes his role as Independent Non-Executive Chairman of the board of directors. The Company would like to acknowledge and thank Ivan for his contribution and leadership over the past four months.
