With the continued growth that is forecast, the Board expects to be able to continue to pay dividends. Dividend Reinvestment Plan

During the period LaserBond Limited had a Dividend Reinvestment Plan (DRP) in operation. Under the DRP shareholders may elect to have dividends on some or all of their ordinary shares automatically reinvested in additional LaserBond shares, at a discount to the market price. Full details of the operation of the DRP are contained in the Terms and Conditions available on the LaserBond website: http://www.laserbond.com.au/investor-relations.html.

The Board has resolved to offer the DRP for the 2021 Final Dividend. The discount applied to the Market Price determined in accordance with the DRP Terms and Conditions will be 5%.

In order to participate in the DRP for this dividend, shareholders that have not already done so should return a completed DRP Application Form to arrive at the share registry (Boardroom Pty Ltd) by 9 September 2021. The form is available on our website: http://www.laserbond.com.au/investor-relations.html. Shareholders that have already returned the form need not complete another, unless a change in the level of participation is being requested.

Cash dividends are paid by electronic funds transfer. In order to receive the dividend in cash (either fully or in part), shareholders that have not already done so must ensure the share registry (Boardroom Pty Ltd) has received their Australian bank account details by 9 September 2021. Shareholders that have already returned the form need not complete another. The form is available on our website: http://www.laserbond.com.au/investor-relations.html.
