

ASX ANNOUNCEMENT

10 February 2025

Investor webinar invitation

Little Green Pharma Ltd (ASX: LGP, "**LGP**" or the "**Company**") is pleased to invite shareholders to attend an investor webinar presentation to be held:

Time: 10am AWST / 1pm AEDT

Date: Tuesday 11th February 2025

The presentation will be delivered by CEO Paul Long and provide an overview of the Company's December quarterly results, with the Company reporting \$9.5m in revenue (unaudited) for the quarter, a record sales month of \$3.6m in December, and the Company's revenue financial year to date already surpassing last year's full year revenue.

In addition, Mr Long will provide an update on LGP's operational activities, including the Company's continued expansion into lucrative European and UK markets and recent acquisition of Australian medicinal cannabis distribution business, Health House.

The webinar will be held via Zoom and will provide attendees the opportunity to submit questions via a moderated Q&A session following the formal presentation.

About Little Green Pharma

Little Green Pharma is a global, vertically integrated and geographically diverse medicinal cannabis business with operations from cultivation and production through to manufacturing and distribution.

The Company has three global production sites for the manufacture of its own-branded and white-label ranges of medicinal cannabis and psychedelic products, being a Danish glasshouse facility, a West Australian indoor craft production facility with a combined nameplate capacity of 30 tonnes of cannabis biomass per annum, and a combined psychedelics clinic, head office and therapeutic goods manufacturing facility located in Western Australia. The Company also owns an Australian medicinal cannabis distribution business.

Little Green Pharma products comply with all required Danish Medicines Agency and Therapeutic Goods Administration regulations and testing requirements. With a growing range of products containing differing ratios of active ingredients, Little Green Pharma supplies medical-grade cannabis products to Australian, European and overseas markets.

The Company has a strong focus on patient access in the emerging global medicinal cannabis market and is actively engaged in promoting education and outreach programs, as well as participating in clinical investigations and research projects to develop innovative new delivery systems.
