EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.loyalmetals.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 3 – RE-ELECTION OF PERETZ SCHAPIRO AS DIRECTOR

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Peretz Schapiro, who has held office without re-election since 30 May 2024 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Peretz Schapiro is set out below.

Qualifications, experience and other material directorships	Mr Peretz Schapiro holds a Masters Degree in Applied Finance and has been a global investor for more than a decade, with a particular focus in the resources sector. He understands the fundamental parameters, strategic drivers, market requirements and what it takes for a high growth business. In addition to being the founding chairman of the Company, Mr Schapiro is a successful business entrepreneur with a diverse portfolio background. He has deep experience in resource exploration, corporate finance, management consulting, marketing, fundraising and business development.
Term of office	Mr Peretz Schapiro has served as a Director since 23 September 2020 and was last re-elected on 30 May 2024.
Independence	If re-elected, the Board does consider that Mr Peretz Schapiro will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Peretz Schapiro that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Peretz Schapiro since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Peretz Schapiro) recommend that Shareholders vote in favour of Resolution 3.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Peretz Schapiro will be re-elected to the Board as a non-executive Director.

If Resolution 3 is not passed, Mr Peretz Schapiro will not continue in his role as a non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

4.1 General

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

4.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$40,570,339. The Company is therefore an Eligible Entity.

4.3 Technical information required by Listing Rule 14.1A

For Resolution 4 to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.4 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new assets or investments (including expenses associated with such an acquisition), continued exploration and feasibility study expenditure on the Company's assets and general working capital.
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.																																														
The table above uses the following assumptions:																																														
1. There are currently 150,260,515 Shares on issue.																																														
2. The issue price set out above is the closing market price of the Shares on the ASX on 20 April 2026 (being \$0.295) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.																																														
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.																																														
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.																																														
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.																																														
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.																																														
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.																																														
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.																																														
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.																																														

REQUIRED INFORMATION	DETAILS
	Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 May 2025 (Previous Approval). During the 12 month period preceding the date of the Meeting, being on and from 27 May 2025, the Company has not issued any Equity Securities pursuant to the Previous Approval.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF SHARES TO PLACEMENT PARTICIPANTS

5.1 Background

Placement

As announced on 3 November 2025, the Company received firm commitments from professional and sophisticated investors (**Placement Participants**) to raise approximately \$3,500,000 (before costs) through a placement of 10,294,118 Shares at an issue price of \$0.34 per Share (**Placement**).

Shares issued under the Placement will be issued to unrelated Placement participants utilising the Company's placement capacity under ASX Listing Rule 7.1.

Lead Manager

The Company engaged the services of Canaccord Genuity (Australia) Limited (**Canaccord**) to act as lead manager to the Placement pursuant to an agreement dated 29 October 2025 (**Lead Manager Mandate**).

Pursuant to the Lead Manager Mandate, the Company agreed to pay Canaccord the following fees in consideration for lead manager services:

- (a) a management fee of 2% of the proceeds raised under the Placement; and
- (b) a selling fee of 3% of the proceeds raised under the Placement, with the Company paying a 4% selling fee to Canaccord on proceeds raised by certain investors as agreed with Canaccord.

Use of Funds

Funds raised from the Placement will be used to accelerate exploration activities at the Highway Copper Gold Project and for general working capital.

5.2 General

Resolution 4 seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 10,294,118 Shares to the Placement Participants (and/or their nominee/s) on 10 November 2025.

5.3 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 4.2 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

5.4 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.5 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If Resolution 4 is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.
