Request for Continuation of Voluntary Suspension

We refer to the request for a voluntary suspension by Montec International Limited (Montec) on 12 March 2007 (Voluntary Suspension Request). Further to the Voluntary Suspension Request, Montec requests a continued voluntary suspension of trading in its securities pending the release of an announcement with effect from the opening of trading on 15 March 2007, until no later than 10.00 am on Friday 16 March 2007, by which time Montec expects to have made the announcement.

Montec confirms that it is not aware of any reason why this continued voluntary suspension should not be granted.
