

ASX Release

20 September 2017

Dear Sir/Madam

Correction of the Total Number of Shares on Issue

The Company refers to the Appendix 3B released on 15 September 2017 (**the Latest Appendix 3B**).

It has been brought to the Company's attention that there is a discrepancy of **382** fully paid ordinary shares between the total number of shares as stated in the Latest Appendix 3B (which is **419,627,608**) and the total number of fully paid ordinary shares on issue as recorded by the Share Registry (which is **419,627,990**). This is due to the rounding up of the total number of fully paid ordinary shares by the Share Registry upon 30:1 consolidation as approved by AWY shareholders on 30 November 2016.

An amended version of the Latest Appendix 3B is attached to reflect the correct number of fully paid ordinary shares on issue being **419,627,990**.

Yours faithfully,

Company Secretary
Kenneth Lee
