Amendment to Slide Number 17 of 2006 Full Year Result Presentation

It has come to our attention that there is an error in some of the entries in rows 3 and 4 of the table on slide number 17 of the 2006 Full Year Result Presentation which was lodged with the ASX earlier today.

In row 3 column 1, the entry "JV Revenue" should read "EBIT". In row 4 column 1, the entry "Total Revenue" should read "EBIT Margin". In row 4 columns 2 and 3, the figures "7.3" and "7.7" should read "7.3%" and "7.7%".

We attach an amended slide number 17 with the correct entries in the table.

Yours faithfully,

Strati Gregoriadis
Company Secretary
