27 June 2014

Next Supreme Court Hearing

The Supreme Court today made orders on a range of procedural issues relating to Metgasco's efforts to have the Rosella drilling suspension overturned. The next hearing has been set for 4 July, 2014.

Metgasco and its legal support continue to assess the details of the response we received from the NSW Government on 26 June which rejected Metgasco's request to have the suspension lifted.
