IRON ORE ALLIANCE

The Directors of Royal Resources Limited ("Royal") are pleased to announce Royal has been accepted as a member of The Geraldton Iron Ore Alliance ("Iron Ore Alliance").

The Iron Ore Alliance was formed on the 6 December 2005, for the purpose of developing Australia's fastest growing iron ore province in the Mid West Region of Western Australia.

The Iron Ore Alliance's objective will be to:

- Liaise with governments, industry groups, non government organisations and community groups, particularly relevant departments and agencies of the Western Australian Government, the Western Australian Chamber of Minerals and the Energy and the Association of Mining and Exploration Companies on key issues of infrastructure, regional development and community relations;
- Promote the development of appropriate common user and other infrastructure and work closely with all stakeholders in the region to optimise the utilisation of existing infrastructure;
- Work closely and cooperatively with the Geraldton Port Authority and other stakeholders to enhance the efficiency and capacity of the port; and
- Liaise with community groups and stakeholders including Government agencies to address issues arising from the expansion of the iron ore industry.

The members of the Iron Ore Alliance include Gindalbie Metals Limited, Golden West Resources Limited, Midwest Corporation Ltd, Mt Gibson Iron Limited, Murchison Metals Ltd and Royal.

Royal is pleased to have been invited to join the Iron Ore Alliance and looks forward to making a strong and useful contribution to the ongoing development of this exciting region.
