About Manuka

Manuka Resources Limited (ASX: MKR) is an Australian mining company located in the Cobar Basin, central west New South Wales. It is the 100% owner of two fully permitted gold and silver projects which include the following:

- Mt Boppy Gold mine and neighbouring tenements. The Mt Boppy project is currently in production and processing its gold ore through the Company's processing plant at Wonawinta.

- Wonawinta silver project, with mine, processing plant and neighbouring tenements. The Wonawinta processing plant has a nameplate capacity of 850,000 tonnes per year.

The Wonawinta silver project was previously the largest producer of primary silver in Australia. Manuka intends to return it to the production of silver doré in Q4 2021, following the completion of the current phase of mining at Mt Boppy.
