The Company is yet to see any evidence that the appointment of the nominee directors will be of any benefit to the Company and all its shareholders.

The Requisitionists previously advised of their intention to pursue a meeting of the Company's shareholders under section 249F of the Act. A meeting held pursuant to section 249F of the Act must be paid for by the requisitioning party, and not the company. It should be noted that the Requisitionists have now chosen to request a meeting pursuant to S249D which will require the Company, and not the Requisitionists, to pay all of the expenses associated with calling and holding this meeting.

Furthermore, the Company remains concerned that the Requisitionists' actions again appear to be strategically timed to coincide with current positive actions of the Company.

We note that we have already received a large amount of support from existing shareholders and the Board thanks shareholders for their support.

The Board continues to welcome shareholders' comments and feedback. Please do not hesitate to call the Company on +61 8 9245 6187 or email us at info@mecresources.com.au.

Yours faithfully
