Half Year Guidance

Monadelphous Group Limited would like to announce profit guidance for the half year ended 31 December 2004, as a result of the better than expected financial performance of the company for the period.

Whilst figures are subject to review, the company expects a profit after tax of between \$7.6 million and \$8.0 million, from sales revenue of between \$190 million and \$200 million for the period ended 31 December 2004.

Monadelphous Group Limited is due to release its reviewed half year financial results on 22 February 2005.
