EXPLANATORY NOTES

Explanatory notes

The following notes explain the items of business to be discussed at the Tag Pacific Limited Annual General Meeting. The notes are set out in the order of the items in the Notice of Meeting and should be read with the notice.

→ 1 Discussion of financial statements and reports

The Company's financial report and other items referred to in item 1 will be laid before the meeting in accordance with the Corporations Act. There is no requirement for shareholders to approve those reports.

The Chairman will allow a reasonable opportunity for members as a whole at the meeting to ask questions about or make comments on the reports.

→ 2 Remuneration report

The Annual Report for the year to 30 June 2011 contains a remuneration report which sets out the remuneration policies applicable to the Company and reports the remuneration arrangements that were in place for the Company's non-executive directors and senior executives for the 2011 financial year.

A reasonable opportunity will be provided for discussion of the remuneration report at the meeting before members are asked to vote on resolution 2, to adopt the remuneration report.

The vote on this resolution is advisory only and does not bind the Company or its directors. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

If 25% or more of votes that are cast are voted against the adoption of the remuneration report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than a managing director) must stand for re-election.

Any undirected proxies held by the chairman of the meeting, other directors or other key management personnel or any of their closely related parties (as that term is defined in the Corporations Act 2001, which includes certain of their family members, dependents and companies they control) will not be voted in respect of Item 2 (Remuneration Report).

Re-election of directors

→ 3.1 Re-election of Gary Weiss as a director

Gary Weiss has been a director since 1988. He is an Executive Director of Ariadne Australia Limited, Chairman of Coats plc and a director of several other public companies. In accordance with the Company's constitution he retires by rotation and, being eligible, offers himself for re-election.

→ 3.2 Re-election of Gary Cohen as a director

Gary Cohen has been a director since 1999. He is a Principal of Marcel Corporate and former Chairman of iSoft Group Limited. In accordance with the Company's constitution he retires by rotation and, being eligible, offers himself for re-election.

→ 4 Executive Share Option Plan – Renewal of approvals

The Company established an Executive Share Option Plan ("ESOP") with the approval of shareholders in 2004 to attract, retain and motivate Tag Group executives and contractors who provide executive services ("Participants").

Under the ESOP, the number of options that may be issued to a Participant and the performance criteria and hurdles to be met prior to the issue or exercise of such options is set by the Tag remuneration committee.

All Tag Group executives are eligible to participate in the ESOP, however because of the relationship that certain executives have with the Company, their eligibility is subject to prior shareholder approval. On each of 11 November 2004 and 13 November 2008, shareholders approved the participation of the executives named in resolutions 4.1 and 4.2 in the ESOP and the issue of options to those executives in the 3 year period after the date of each approval. If passed, resolutions 4.1 and 4.2 will enable the executives named in those resolutions to continue to participate in the ESOP for a further period of up to 3 years in the same way that other Tag Group executives for whom specific shareholder approval is not required may participate.

Since the last approval on 13 November 2008, three executives have received options under the ESOP, including the following executives for whom approval is required under ASX Listing Rule 10.14:

Name	Number of options	Exercise price	Vested/unvested	Acquisition price
Mr PH Wise	200,000	\$0.30	Vested	Nil
	400,000	\$0.20	Vested	Nil
	Total 600,000			
Mr N Wise	150,000	\$0.24	Unvested	Nil
	350,000	\$0.20	Vested	Nil
	350,000	\$0.20	Vested	Nil
	Total 850,000			

→ 4.1 Renewal of approval to acquire options under Listing Rule 10.14 – PH Wise

In general, shareholder approval is not required to issue options under the ESOP. However, there are certain limited exceptions to this, including where options are proposed to be issued to a director of the Company, an associate of a director of the Company or a person whose relationship with the Company or a director of the Company is such that approval should be obtained.

On each of 11 November 2004 and 13 November 2008, shareholders approved the participation of Mr PH Wise in the ESOP and the issue of options to Mr PH Wise in the 3 year period after the date of each approval.

The purpose of the resolution referred to in item 4.1 of the notice of meeting is to enable Mr PH Wise (or his nominee, Anthony Australia Pty Limited) to continue to participate in the ESOP for a further period of up to 3 years in the same way that other Tag Group executives for whom specific shareholder approval is not required may participate.

Renewal of the approval under ASX Listing Rule 10.14 is required for Mr PH Wise who is Chairman of the board of directors of the Company.

The Company's remuneration committee determines the number of options to be issued to Participants (including Mr PH Wise) from time to time. The maximum number of options that may be on issue at any time under the ESOP is 5% of the total number of shares in the Company on issue at that time.

The maximum number of options that may be issued to any one Participant, including to Mr PH Wise (or, at his election, Anthony Australia Pty Limited), is 1,250,000 options to acquire 1,250,000 fully paid ordinary shares in the Company, which number of shares represents 1.77% of the issued capital of the Company at the date of the attached notice of meeting.

Options issued under the ESOP may be issued from time to time as determined by the Company's remuneration committee.

Options issued under the ESOP will be issued for no consideration.

The names of all persons referred to in ASX Listing Rule 10.14 entitled to participate in the ESOP are Messrs PH Wise and N Wise.

Details of any options issued under the ESOP will be published in each annual report of the Company in relation to the period in which the options have been issued, together with a statement that approval for the issue of the options was obtained under ASX Listing Rule 10.14.

Any additional persons to whom ASX Listing Rule 10.14 refers who become entitled to participate in the ESOP if and after the resolution referred to in item 4.1 is approved, and who are not named in the notice of meeting will not participate in the ESOP until approval is obtained under ASX Listing Rule 10.14.

The date by which the Company will issue options to Mr PH Wise (or, at his election, Anthony Australia Pty Limited) has not yet been determined, but if the Company's remuneration committee decides to issue options to him the issue date will be a date that is no later than 3 years after the date on which the meeting is held that is convened by the attached notice of meeting.

EXPLANATORY NOTES

CONTINUED

→ 4.2 Renewal of approval to acquire options under Listing Rule 10.14 – N Wise

In general, shareholder approval is not required to issue options under the ESOP. However, there are certain limited exceptions to this, including where options are proposed to be issued to a director of the Company, an associate of a director of the Company or a person whose relationship with the Company or a director of the Company is such that approval should be obtained.

On each of 11 November 2004 and 13 November 2008, shareholders approved the participation of Mr N Wise in the ESOP and the issue of options to Mr N Wise in the 3 year period after the date of each approval.

The purpose of the resolution referred to in item 4.2 of the notice of meeting is to enable Mr N Wise (or his nominee, Investment Associates Pty Limited) to continue to participate in the ESOP for a further period of up to 3 years in the same way that other Tag Group executives for whom specific shareholder approval is not required may participate.

Renewal of the approval under ASX Listing Rule 10.14 is required for Mr N Wise who is a director of a number of subsidiaries of the Company, a director of Anthony Australia Pty Limited which holds 34,959,482 ordinary shares in the Company and related to Mr PH Wise.

The Company's remuneration committee determines the number of options to be issued to Participants (including Mr N Wise) from time to time. The maximum number of options that may be on issue at any time under the ESOP is 5% of the total number of shares in the Company on issue at that time.

The maximum number of options that may be issued to any one Participant, including to Mr N Wise (or, at his election, Investment Associates Pty Limited), is 1,250,000 options to acquire 1,250,000 fully paid ordinary shares in the Company, which number of shares represent 1.77% of the issued capital of the Company at the date of the attached notice of meeting.

Options issued under the ESOP may be issued from time to time as determined by the Company's remuneration committee.

Options issued under the ESOP will be issued for no consideration.

The names of all persons referred to in ASX Listing Rule 10.14 entitled to participate in the ESOP are Messrs PH Wise and N Wise.

Details of any options issued under the ESOP will be published in each annual report of the Company in relation to the period in which the options have been issued, together with a statement that approval for the issue of the options was obtained under ASX Listing Rule 10.14.

Any additional persons to whom ASX Listing Rule 10.14 refers who become entitled to participate in the ESOP if and after the resolution referred in item 4.2 is approved, and who are not named in the notice of meeting will not participate in the ESOP until approval is obtained under ASX Listing Rule 10.14.

The date by which the Company will issue options to Mr N Wise (or, at his election, Investment Associates Pty Limited) has not yet been determined, but if the Company's remuneration committee decides to issue options to him the issue date will be a date that is no later than 3 years after the date on which the meeting is held that is convened by the attached notice of meeting.
