## **Multistack International Limited (MSI)**

### **ASX Announcement – Extension of Super Link agreements**

On 15 June 2020, Multistack International Limited (ASX:MSI) (**Company**) announced that it had agreed to enter into a loan agreement with Super Link Company Limited, CR No. 0157569 (**Super Link**) in connection with the acquisition of the assets of Verdicorp, Inc (**Loan Agreement**). The Loan Agreement was conditional on the Company granting Super Link an option to purchase the assets of Verdicorp, Inc from the Company (**Asset Sale Deed** and together with the Loan Agreement, the **Agreements**) such option being subject to the satisfaction of conditions described in the Asset Sale Deed, including the Company obtaining the requisite shareholder approvals.

At our AGM on 12 May 2023, resolutions for approval to grant security over ORC technology and approval to grant and exercise option under Asset Sale Deed to Super link Company Limited were both carried and granted.

The Company wishes to advise that on 16 August 2023 it entered into extensions of the Agreements with Super Link, extending the term of the Loan Agreement and the sunset date for the Asset Sale Deed until 30 November 2024 (**Variations**). All other terms of the Agreements remain the same following the Variations.
