Ms Nikki Thomas was appointed as a Director by the Board on 3 April 2025. In accordance with rule 10.7 of the Company's Constitution, Ms Thomas retires at the conclusion of the Annual General Meeting and being eligible, presents herself for election by Shareholders.

Nikki Thomas

Directors' Recommendation:

The Directors, with Nikki Thomas abstaining in respect of her own re-election, recommend that Shareholders vote in favour of this ordinary Resolution to elect Nikki Thomas as a Director.

RESOLUTION 3: APPROVAL OF PARTICIPATION OF MICHAEL POYNTON IN LONG TERM INCENTIVE PLAN

Background

Listing Rule 10.14 states that a listed company must not permit a Director to acquire securities under an employee incentive scheme without the prior approval of Shareholders by an ordinary Resolution.

Mr Poynton is the Chief Operations Officer and Executive Director (and so is within the category of persons in Listing Rule 10.14.1), and the purpose of this Resolution 3 is for Shareholders to approve the proposed grant of Performance Rights under the Company's LTIP to Mr Poynton.

The Board believes that part of the rewards for Mr Poynton's services to the Company should be performance-based and at risk and should involve equity interests in the Company. This approach is consistent with best practice in executive remuneration and corporate governance. In structuring the terms of the long-term incentives to Mr Poynton, the Board has considered market practice among comparable companies listed on the ASX.

The Board has considered the application of Chapter 2E of the Corporations Act to the issue of Performance Rights to Mr Poynton and considers that the financial benefit given by such grant of Performance Rights constitutes reasonable remuneration to Mr Poynton given (i) the circumstances of the Company and (ii) Mr Poynton's role and responsibilities at the Company, for the purposes of the exception contained in section 211(1) of the Corporation Act. Therefore, the Company is not seeking Shareholder approval pursuant to section 208 of the Corporations Act in addition to the approval being sought under the Listing Rules.

The effect of Shareholders passing Resolution 3 will be to allow the Company to issue the Performance Rights to Mr Poynton (or his respective nominee/s) as part of his remuneration package in the proportions listed below. If Shareholder approval is not obtained under Resolution 3, the Company will not be able to proceed with the issue of the Performance Rights, and the Company will need to consider alternative commercial means to appropriately incentivise Mr Poynton.

Requirements of Listing Rules 10.15

The following information is provided to Shareholders for the purposes of Listing Rule 10.15:

Number of securities

The number of Performance Rights that may be granted to Mr Poynton for the Performance Period 1 July 2025 to 30 June 2028 (**Performance Period**) is 50,648, calculated by dividing \$128,646 (being 30% of Mr Poynton's total fixed remuneration from 1 July 2025 to 30 June 2026 of \$428,820) by the volume weighted average price (VWAP) of the shares of the Company over the 30 calendar days up to and including 30 June 2025 (being the 30 June before the commencement of the relevant Performance Period). The VWAP at 30 June 2025 was \$2.54.

Each Performance Right entitles Mr Poynton to receive, upon vesting and exercise, one fully paid ordinary share in the Company. Details of the relevant vesting conditions for Mr Poynton are summarised below.

Details of Mr Poynton's current total remuneration package

Mr Poynton's total remuneration package consists of fixed remuneration and performance-linked remuneration based on the Company's performance and Mr Poynton's individual performance. Details of Mr Poynton's total remuneration package is as follows:

Total fixed remuneration, inclusive of superannuation (TFR)	\$ 428,820
Car Allowance	\$ 25,000
Short-term cash bonuses, inclusive of superannuation	\$ 214,410
LTIP (performance rights)	\$ 128,646
Total potential remuneration package	\$ 796,876

Number of Performance Rights that have previously been issued to Mr Poynton

Mr Poynton has previously been granted 146,492 Performance Rights under the LTIP. The Performance Rights were issued for no cash consideration. Furthermore, no amount is payable upon exercise of those Performance Rights.

Why Performance Rights are being used

The Company considers Performance Rights to be an effective incentive as they will only vest and become exercisable where relevant performance hurdles and employment service conditions have been met.

The value that the Company attributes to the Performance Rights and its basis

The Performance Rights will be independently valued on a fair value basis at the grant date. Tranche 1 Performance Rights (**TSR**) (see below) will be valued using the Monte Carlo simulation to reflect the impact of the market conditions. Tranche 2 Performance Rights (**EPS**) (see below) will be valued using the Black Scholes Model, as the performance hurdle is a non-market hurdle. Service and non-market performance conditions attached to the arrangements will not be taken into account in measuring fair value. The fair value for accounting purposes in accordance with AASB 2 *Share-based Payments* is expected to be between \$145,000 and \$180,000.

The date on which the Company will issue the Performance Rights

Subject to obtaining Shareholder approval, it is proposed that the grant to Mr Poynton be made as soon as practicable after the Annual General Meeting, but in any event no later than 30 June 2026.

Price of securities

The Performance Rights will be granted for no cash consideration. Furthermore, no amount is payable upon exercise of the Performance Rights.

Eligible participants

Mr Poynton is the only Director who is entitled to participate in the Company's LTIP. No other Director or associate of a Director is entitled to participate.

No loans given to acquire securities

No loan will be provided by the Company in connection with the grant of the Performance Rights to Mr Poynton.

Other information

Details of any Performance Rights issued under the LTIP will be published in the Annual Report of the Company relating to the period in which they have been issued, together with a statement that approval of the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTIP after this Resolution is approved and who were not named in this Notice of Meeting and Explanatory Notes will not participate until approval is obtained under that Listing Rule.

Voting exclusion statement

A voting exclusion statement in relation to this Resolution is set out below.

The key terms of the LTIP and the Performance Rights to be granted

The key terms of the LTIP are set out in schedule 1.

Mr Poynton's Performance Rights will be divided into two tranches. Each tranche will be subject to separate vesting conditions, as set out below.

If any of these companies de-list from the ASX, de-merge, merge with or are taken over by another Company during or before the end of the Performance Period, they will be excluded from the TSR calculation.

TSR will be determined by reference to:

- the changes in VWAP of the Shares on the ASX in the 5 trading days up to and including the first trading day of the Performance Period to the VWAP of the Shares on the ASX in the 5 trading days up to and including the last trading day of the Performance Period; and
- the value (on a basis determined by the Board from time to time) of any Shareholder benefits (including dividends or any other benefits that the Board determines from time to time are to be taken into account) paid or otherwise made available generally to Shareholders in the Company during the Performance Period.

The Board will determine at the end of the Performance Period what proportion (if any) of the Performance Rights that are subject to the Relative TSR Vesting Condition will vest (subject to the service vesting condition as detailed below) as follows:

The Company's relative TSR percentile ranking across the TSR Performance Period against the Peer Group	Proportion of the relevant Performance Rights that satisfy the Relative TSR Vesting Condition
Less than 50th percentile	0%
At the 50th percentile	50%
Above the 50th percentile and below the 75th percentile	Between 50% and 100% on a straight-line basis
At or above 75th percentile	100%

In addition to satisfying the Relative TSR Vesting Condition above, this tranche of Mr Poynton's Performance Rights will also be subject to him being continuously engaged by a member of the Group (and not have resigned or his engagement arrangement has not been terminated) up to and including the end of the Performance Period.

EPS Vesting Condition: The remaining 50% of Mr Poynton's Performance Rights will be subject to a vesting condition relating to the growth in the Company's Earnings Per Share over the Performance Period, compounded annually.

EPS will be determined by reference to the underlying net profit attributable to the Company for the Performance Period, divided by the weighted average number of Shares on issue across the Performance Period. Unless otherwise determined by the Board, business acquisitions by the Group are to be included in the EPS calculation (and not excluded), and the Board may otherwise from time to time adjust the EPS to exclude the effects of other certain one-off costs.

The starting EPS for the EPS calculation will be 30 June 2025 which is the EPS calculated in accordance with the above principles for FY25 having regard to the audited consolidated accounts for FY25.

The Board will determine at the end of the Performance Period the proportion of the Performance Rights that are subject to this EPS Vesting Condition that will vest as follows:

The Company's EPS compound annual growth rate (CAGR) over the Performance Period	Proportion of the relevant Performance Rights that satisfy the EPS Vesting Condition
EPS CAGR is less than 7.5%	0%
EPS CAGR is equal to 7.5% and less than 10%	Between 50% and 100% on a straight-line basis
EPS CAGR is equal to or greater than 10%	100%

In addition to satisfying the EPS Vesting Condition above, this tranche of Mr Poynton's Performance Rights will also be subject to him being continuously engaged by a member of the Group (and not have resigned or his employment arrangement has not been terminated) up to and including the end of the Performance Period.

If approval is given for the abovementioned issue of the Performance Rights to Mr Poynton under Listing Rule 10.14, further approval is not required (and will not be sought) under Listing Rule 7.1 for this issue of the Performance Rights or the underlying Shares.

Directors' recommendation

Each of the Directors (other than Mr Poynton who is the subject of this Resolution) recommends that Shareholders vote in favour of this Resolution. Mr Poynton makes no recommendation in relation to this Resolution.

The Chair intends to vote all available proxies in favour of this Resolution 3.

- on Resolution 3 as a proxy by a member of the Key Management Personnel, or that Key Management Personnel's CRP.

However, this does not apply to a vote cast in favour on Resolution 3 by:

- a person as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- the Chair of the meeting as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with a direction given to the Chair to vote on this Resolution as the Chair decides; or

SCHEDULE 1

KEY TERMS OF LTIP

Eligibility

The Board may from time to time, invite eligible employees, Directors, or contractors of the Company (or its subsidiaries) and their related persons to participate in the LTIP (**Eligible Participants**).

Instruments

The Company may issue performance rights and/or options (each an **Award**) to one or more Eligible Participants under the LTIP. A performance right is a conditional right which, upon the satisfaction or waiver of the relevant vesting conditions and exercise conditions and, if required by the Company, the exercise of that right, entitles its holder to receive one ordinary share in the Company. An option is a right which, upon the satisfaction or waiver of the relevant vesting conditions and exercise conditions and the exercise of that option, entitles its holder to receive one ordinary share in the Company.

Offers

The Board may, from time to time, at its absolute discretion, determine the number and value of any Awards to be granted under the LTIP. Without limiting its discretion, the Board may also determine the vesting conditions, exercise conditions and any other terms applicable to a particular grant of Awards (for example, for an option, the exercise price (if any), the exercise conditions and the exercise period) in an invitation to an Eligible Participant.

Vesting Conditions

The Awards will be subject to the vesting conditions as determined by the Board at the time of the offer. The Board may in its discretion determine that any unvested Awards will become vested and may be exercised in any period, whether or not any or all of the applicable vesting conditions (and exercise conditions if any) have been satisfied, including if an Eligible Participant becomes a leaver in certain circumstances (for example, ceases to be an Eligible Participant due to death or incapacity) or there is a change of control of the Company.

Exercise Conditions

The Awards may be subject to exercise conditions as determined by the Board at the time of offer. The Board may in its discretion waive any or all of the applicable exercise conditions notwithstanding that those exercise conditions may not have been (or are not capable of being) satisfied.

Fulfilment of Vested Awards

The Company will fulfil vested Awards by issuing, allocating or causing to be transferred to the Eligible Participant the number of ordinary shares in the Company to which they are entitled. The Board retains a discretion to fulfil vested Awards by paying an Eligible Participant a cash amount equal to the then value of the shares that the Eligible Participant is otherwise entitled to. Where considered appropriate by the Board, the Company may offer to the holders of Awards a cashless exercise mechanism.

Disposal Restrictions

An Award cannot be transferred, disposed of, or dealt with by an Eligible Participant, without the prior approval of the Board, or where the relevant dealing is effected by force of law on death or legal incapacity of the Eligible Participant. In addition, shares delivered under the LTIP may be subject to disposal restrictions determined by the Board. For the avoidance of doubt, the Eligible Participants must comply with the Company's securities trading policy at all times.

Forfeiture

Unless otherwise determined by the Board, a participant's Awards will be forfeited in the circumstances set out in the rules of the LTIP, including where:

- in relation to unvested Awards:
 - a participant is a 'Good Leaver' (i.e., a participant has died, or may no longer be able to perform their duties under their engagement arrangement due to poor health, injury or disability) the number of unvested Awards forfeited will be determined having regard to the proportion of the performance period remaining at the time the participant became a Good Leaver; and
 - a participant is a 'Bad Leaver' (i.e., where the participant has ceased to be an Eligible Participant, but is not otherwise considered to be a Good Leaver);
- the relevant vesting condition(s) and/or exercise condition(s) are not satisfied or cannot be satisfied by the relevant expiry date of the Awards;

- a participant acts fraudulently or dishonestly or in breach of his or her obligations to the Company (or its subsidiaries); or
- a participant becomes insolvent.

Trust

The Board may elect to use, on such terms and conditions as determined by the Board, an employee share trust for the purpose of holding shares before or after the vesting of an Eligible Participant's Award or delivering any shares to that Eligible Participant upon vesting of an Award.

For the avoidance of doubt, the Board may do all things necessary for the establishment, administration, operation, and funding of an employee share trust.

Change of Control

If a change of control event occurs, which is defined in the rules of the LTIP and includes a takeover of the Company, the Board may in its absolute discretion determine (having regard to, amongst other factors, the performance of the Company at that time against targets set out in the vesting conditions, the period of time that has elapsed between the date of grant of the relevant Awards and the date of the change of control event, and the circumstances of the change of control event) the manner in which all or a specified number of outstanding Awards will be dealt with (including without limitation in a manner that allows the Eligible Participant to benefit from the change of control event on any terms the Board deems fit including determining that some or all of an Eligible Participant's unvested Awards are deemed to have vested).

Amendment

The Board has the ability to amend the rules of the LTIP at any time including with retrospective effect, except if the amendment materially adversely affects the rights of a participant as they existed before the date of the amendment, other than:

- an amendment which is primarily necessitated to ensure compliance with the Company's constitution or laws;
- to correct manifest errors;
- to take into consideration possible adverse tax implications in respect of the LTIP; or
- to allow the implementation of an employee share trust.

To implement an amendment that materially adversely affects the rights of a participant as they existed before the date of the amendment, at least 75% of the participants affected by that amendment must first agree to that amendment in writing.
