

28 December 2006

Dr Harry Oxez Appointed to Board

Medical Developments International Limited (ASX:MVP) today announced the appointment of Dr Harry Oxez to its Board.

Dr Oxez has had a long and distinguished career in both St John's Ambulance and the Royal Air Force specializing in anaesthesia and intensive care and has been a medical consultant to MVP since its listing in December 2003.

David Williams, Chairman, said "I am delighted to welcome Dr Oxez to the Board. He has significant medical experience in the area of the company's products. His knowledge and international contacts will strengthen the Board as we continue to expand our product registrations internationally, and the use of our product in Ambulance and Defence.

Please refer to the attached appendix for further biographical details of Dr Oxez.

About Medical Developments International

MVP is a leader in emergency pain relief and respiratory products. The Company manufactures a fast acting pre-hospital and emergency pain relief product called Pentrox. It is used in all Australian Ambulance Services, the Australian Defence Forces, Sports Medicine, Dentistry and for analgesia during short surgical procedures.

Appendix

Dr Harry Oxe

Between 1958 and 1975 Dr Oxe was with the Royal Air Force. From 1962 to 1975, he was a consultant in Anaesthesia and Intensive Care. He retired at the rank of Wing Commander.

From 1976 to the present he has been with St John Ambulance Western Australia. In 1976 he was appointed as their first Medical Director of Ambulance in Australia and from 2002 as their Medical Consultant. Between 1975 and 1998 he was also Consultant Specialist in Anaesthesia and Intensive Care of Fremantle Hospital.

Dr Oxe is presently Senior Lecturer in the School of Medicine at the University of Western Australia, in the Department of Emergency Medicine. He has been involved in ambulance and pain management through St. John Ambulance and committees such as:

- Member of the Convention of Ambulance Authorities of Australia and New Zealand Medical Directors group, some time Chairman
- Member of the West Australian College of Surgeons Road Trauma Committee and the Committee of the Western Australian Branch of the Aviation Medical Society of Australia and New Zealand
- St John Ambulance, Western Australia, member of the State Executive Council
- Past Chairman of the National Australian Resuscitation Council
- Member and past Chairman of the National Education Committee of the Institute of Ambulance Officers (Australia) 1976-1979, now the Australian College of Ambulance Professionals

In the 2002 Australia Day Honours Dr Oxe received the Ambulance Service medal and in 2006 he was promoted to Knight of Grace in the Order of St John. He has MA Honours and MB.BChir. degrees from Cambridge University
