

27 July 2006

Dear Shareholder,

In the interests of meeting the Company's environmental responsibility as well as reducing costs associated with printing and mailing communications to shareholders, MaxiTRANS encourages shareholders to consider registering for electronic notification of annual reports, dividend statement and payment and all other communications to shareholders.

If you wish to participate in this initiative, you can elect to receive all your shareholder communications electronically by either completing the eTree form included and returning it by post in the envelope supplied or by visiting the web site at www.eTree.com.au/maxitrans. By registering for eTree, you will be sent an email alerting you of MaxiTRANS shareholder communications as they become available to view online. The annual report can be downloaded or read directly from the MaxiTRANS website, whilst documents like dividend advices are located on a secure website.

MaxiTRANS are proud to participate in eTree, an initiative with our share registry Computershare, encouraging shareholders to receive all of their shareholder communications electronically. For every email address registered to a validated shareholding, a \$2 donation will be made to Landcare Australia on your behalf to support vital reforestation projects in Australia and New Zealand.

Alternatively, if you do not wish to receive *all* of your shareholder communications electronically but no longer wish to receive a hard copy annual report, complete the No Annual Report form provided. Please note this form is enclosed only if you are currently receiving the annual report by post.

If you are still receiving payments via cheque, we have also included a Direct Credit form should you wish for funds to be paid directly to a nominated account with your financial/banking institution.

Thank you for your assistance with this initiative.

Yours sincerely,

Ian Davis
Chairman

MaxiTRANS INDUSTRIES LTD (ACN 006 797 173)

Plant trees and reduce paper consumption

Viewing your shareholder communications online
helps the environment

We are seeking ways to minimise the amount of paper we send you and to support the environment.

When you elect to receive your shareholder communications by email, indigenous trees will be planted on your behalf.

\$2.00 will be donated by MaxiTRANS to native restoration projects in your community, planting both trees and plants suited to the project environment.

You will reduce paper consumption.

You will be able to access all your MaxiTRANS shareholder communications (including annual financial reports) electronically, instead of receiving paper copies in the mail. You will be sent an email alerting you of new information as it becomes available and you will be able to obtain appropriate secure access via the internet.

To participate simply

Visit www.eTree.com.au/maxitrans. You will need your Holder Identification Number (HIN) or Securityholder Reference Number (SRN), as printed below, on this letter. OR

Post this letter with the completed participation form below in the enclosed envelope.

Once you have successfully registered, you will receive a confirmation email. If you have any difficulties registering or would like further information, please contact the eTree Helpdesk on 1800 009 873.

eTree Participation Form

I would like to access all my shareholder communications electronically. I understand that you will no longer send me paper copies but will send me emails advising when dividend statements, annual shareholder reports and all other documents that the Company usually mails to its shareholders are accessible via the website.

By entering and returning my/our email address, I/we acknowledge and agree that I/we have read and understood Computershare Investor Services Pty Limited's Terms and Conditions of use which I/we can obtain on the eTree website (www.eTree.com.au/maxitrans), or by calling the eTree Helpdesk on 1800 009 873.
