Loan Facility Extension

1 July 2026

Nido Education Limited ACN 650 967 703 (ASX: NDO) (**Nido** or **Company**) is pleased to announce that it has successfully extended its existing NAB banking facility by a further 12 months. The existing facility was due to expire in February 2027.

The extended facility also provides a further \$10 million in funding and increases the Company's bank guarantee facility from \$15 million to \$17.5 million.

The successful refinancing materially strengthens Nido's capital structure and provides a longer-term funding platform to support the Company's continued growth strategy.

This represents an important milestone for Nido. It not only strengthens Nido's balance sheet but also enhances financial flexibility and provides the capital platform required to continue investing in quality early education services across Australia.

The Company appreciates the strong support of its lending partner and believes this positions Nido exceptionally well for its next phase of growth.

Nido owns and operates 63¹ early education services, with its educational program inspired by the Reggio Emilia philosophy, centred on the belief that the child, parent, community and environment are all essential to the early years learning process.

¹ as at 30 June 2026.

The Company has more than 1,750² employees across New South Wales, Victoria, South Australia, Western Australia and the Australian Capital Territory, supporting families and communities across five states and territories. Over the past seven months, Nido has expanded its network through the acquisition of six early education services, reflecting its continued focus on disciplined, strategic growth.
