Dear Sir/Madam

Request for Extension of Voluntary Suspension

Nex Metals Explorations Ltd (Nex or the Company) pursuant to item 17.2 of the Listing Rules requests all its listed securities remain in voluntary suspension, pending the completion of an asset sale agreement. As per the Company's previous announcement to the market on 15th April 2013, negotiations are progressing with prospective entities, however the company has not had time to finalise matters.

The company is confident of being able to finalise matters and make an announcement to the market at any time before Monday 29th April 2013, after which time it would expect its securities to be trading.

The company is not aware of any reason why this extension of voluntary suspension would not be granted.

Yours faithfully
