Placement Binding Term Sheet

STRICTLY PRIVATE & CONFIDENTIAL

This term sheet dated 29 May 2024 contains the terms of a proposed placement of securities of Ora Gold Limited (**Ora**) to Westgold Resources Limited (**Westgold**) (together the **Parties**) (the **Placement**).

Key Terms of Placement and Proposed Commercial Transaction

The Parties agree that the key terms of the Placement and the proposed commercial transaction are:

Issuer	Ora Gold Limited (" Ora ") ACN 950 465 654 <i>095 782 994</i>  Suite 8, Level 2 5 Ord Street West Perth WA 6005						
Purchaser	Westgold Resources Limited and/or a nominated subsidiary (" Westgold ") (ACN 009 260 306) Level 6, 200 St Georges Terrace Perth WA 6000						
Issue of shares under the Placement	Ora shall issue to Westgold that number of shares which results in Westgold's ownership being 15.0% of Ora's total issued and outstanding capital post Placement (being 18.69% of Ora's issued only capital). The current capital structure of Ora, as confirmed by Ora, is as follows: <table> <tr> <td>Ordinary shares</td><td>5,806,000,892</td></tr> <tr> <td>Unlisted options</td><td><u>1,759,898,636</u></td></tr> <tr> <td>Total</td><td><u>7,565,899,528</u></td></tr> </table> Ora will issue to Westgold 1,335,158,740 ordinary shares at the Issue Price. On the basis that Ora have full placement capacity pursuant to ASX Listing Rule 7.1 and 7.1A, the Placement will be effected via a single tranche placement.	Ordinary shares	5,806,000,892	Unlisted options	<u>1,759,898,636</u>	Total	<u>7,565,899,528</u>
Ordinary shares	5,806,000,892						
Unlisted options	<u>1,759,898,636</u>						
Total	<u>7,565,899,528</u>						
Issue Price	Ora will issue shares under the Placement to Westgold at A\$0.0045 per Ora share.						
Use of proceeds	As part of the Strategic Alliance (as described below), Ora agrees that proceeds from the Placement are to be predominantly used for the development of the Crown Prince deposit.						
Strategic relationship between the Parties	The Parties agree to cooperate and work together in good faith to negotiate and enter into a strategic co-operation agreement immediately after completion of the Placement (Strategic Alliance). The primary aim of the Strategic Alliance will be the fast tracking of the development of the Crown Prince deposit into production and any other mining opportunities within the Ora tenure.						

Proposed ore purchase agreement	As part of the Strategic Alliance, Ora will grant to Westgold a right of first refusal (ROFR) in respect of any contemplated future toll treating or ore purchase agreement for all ore produced from any mineral tenements owned by Ora (as at the time of the Placement settlement). The Parties agree that the terms of any future toll treating or ore purchase agreement subject to the Strategic Alliance are to be definitively agreed and detailed in separate documents to be negotiated between the Parties using best endeavors and in good faith.
ASX Announcements by Ora	Any public announcement by Ora of any elements of the term sheet must be agreed in writing by the Parties prior to any announcement being released.
Equity Participation Right	- On and from completion of the Placement, and unless and until a Prescribed Event occurs, if Ora proposes, directly or indirectly, to undertake a Prescribed Equity Offer, Ora must ensure that Westgold is given at least 10 Business Days' prior written notice, on a confidential basis, of such proposal (including the material terms of the Prescribed Equity Offer) (Offer Notice). - Following the provision of such Offer Notice, Ora must negotiate with Westgold in good faith to agree the terms on which Westgold may participate in the Prescribed Equity Offer. - If Westgold wishes to participate in a Prescribed Equity Offer following receipt of an Offer Notice, Westgold must provide written notice to Ora to that effect (Acceptance Notice) within 10 Business Days' of receipt by Westgold of the Offer Notice and Ora then agrees that Westgold must be able to participate in the Prescribed Equity Offer at least in respect of its pro rata shareholding at that time on terms no less favourable than the other investors. Following receipt of the Acceptance Notice by Ora, the parties will agree to enter into the appropriate agreement to evidence participation. - Following receipt of an Acceptance Notice, Ora must permit Westgold to participate in the Prescribed Equity Offer, if Westgold's participation in the Prescribed Equity Offer requires shareholder approval (either Ora's or Westgold's) or other regulatory approval by law or the ASX Listing Rules before securities can be issued to Westgold, then such issue is conditional upon receipt of that prior shareholder or regulatory approval and both Westgold and Ora must take all reasonable steps to ensure that shareholder or other regulatory approval is obtained in respect of the issue of such securities to Westgold as soon as reasonably possible. - For the avoidance of doubt and without limitation: - nothing obliges Ora to agree to permit Westgold to participate in any Prescribed Equity Offer; and - nothing prevents Ora from issuing any securities to parties under any Prescribed Equity Offer, - if an Acceptance Notice is not received by Ora within the period referred above; or - if Westgold notifies Ora that it does not wish to participate in that Prescribed Equity Offer.

	Prescribed Event is where Westgold or any of its subsidiaries directly causes or allows its shareholding in Ora to reduce below 10% of its shareholding in Ora as a result of: (a) disposing of securities in Ora; or (b) either: (i) Westgold declines to participate in the Prescribed Equity Offer in circumstances where Westgold has been offered the opportunity to participate in the Prescribed Equity Offer (on no less favourable terms than have been offered to all other third parties) to the extent necessary in order to be able to maintain a minimum 10% shareholding in Ora; or (ii) Ora has announced a pro rata issue (as that term is defined in the ASX Listing Rules) and Westgold has not accepted the offer by the retail closing date applicable to that pro rata issue. Prescribed Equity Offer is any issue of securities by Ora, but excluding an issue of securities: (a) under or pursuant to: (i) a bonus issue, a pro rata entitlement issue or any other rights made available to all shareholders; (ii) a dividend or distribution plan; or (iii) an employee incentive scheme pursuant to and in accordance with ASIC Class Order 14/1000 or Division 1A of Part 7.12 of the Corporations Act, or any other employee, director, officer or consultant incentive arrangement; (b) in respect of: (i) the exercise or conversion of any securities on issue as at the completion of the Placement; or (ii) any merger, business combination, takeover or scheme of arrangement
Board Appointment Right	At completion of the Placement Westgold shall have the right, but not the obligation, to nominate and have appointed a representative to serve on the Ora Board in the capacity of non-executive director. Following the provision of necessary compliance documentation, Ora agrees to have the Westgold nominee appointed to the Ora Board as soon as practicable following receipt of Westgold's request for the same and to be made subject to re-election at Ora's next AGM. Failing any re-election for the duration of this right, Westgold may nominate and have appointed another (replacement) representative to serve on the Ora Board. Westgold shall retain this right to a board representative at Ora at all times whilst the Westgold shareholding in Ora remains above 10% of the Voting Power (as defined in the Corporations Act) of Ora as at the date of this term sheet. Westgold will only lose its right to nominate and have appointed a representative to the Ora Board should its Voting Power fall below 10% following a disposal of Ora shares or following its non-participation in a Prescribed Equity Offer, in each case for a period (uncured) of not less than three (3) months.
Warranty	Ora warrants that it has not disclosed confidential material to Westgold which is unpublished price sensitive data or information.
Term sheet legally binding	The term sheet is legally binding on the Parties.

Confidentiality	The term sheet is strictly confidential and subject to the confidentiality agreement between the Parties dated 17 May 2024.
Execution Deadline	The term sheet must be executed by both Parties by 5pm (AWST) Friday, 31 May 2024. If the term sheet is not executed by both Parties it will be null and void.
Effective Date and Counterparts	This term sheet takes effect as at the date of this term sheet when one or more counterparts have been executed by each Party and those executed counterparts have been delivered by each Party to the other (which may be effected by email).
Exclusivity	During the period commencing on the Effective Date until the later of: (a) the Placement completion; or (b) 31 May 2024. Ora agrees not to deal with any third party in relation to the issue of securities in Ora and further agrees to notify Westgold of any approach during that period by a third party in relation to an issue of securities in Ora.
Termination	The term sheet may be terminated in writing by mutual agreement of the Parties.
Governing law	The term sheet is governed by the laws of Western Australia.
