Dear James,

REQUEST FOR TRADING HALT

Pursuant to Listing Rule 17.1, Reed Resources Ltd (ASX Code:RDR) requests an immediate halt in relation to its ordinary shares.

The reason for the request is to facilitate an orderly market in the company's securities pending an anticipated announcement by the company as to the results of assays of costean sampling of alluvial mineralisation which is being tested for precious metals.

We anticipate being in a position to make an announcement regarding the results prior to the commencement of trading on Monday, 11 October 2010.

Reed Resources Ltd is not aware of any reason why the trading halt should not be granted.

Please contact me if you have any questions regarding the above.

Yours sincerely,

Jason Carone
COMPANY SECRETARY
