### **ATX – Service of Writ of Summons**

**Novatti Group Limited (ASX: NOV) (Novatti or the Company)** advises that it has been served a Writ of Summons in the Kuala Lumpur High Court of Malaya by the selling shareholders of ATX Fintech Holding SB Malaysia (**ATX**) (together, the **ATX vendors**) in connection with the acquisition of ATX by Novatti in January 2022.

The Company has been in dispute with the ATX vendors regarding payment and timing of deferred and earn out consideration linked to the financial performance of ATX post-acquisition.

The ATX vendors are claiming approx. RMY7.38m (approx. AUD2.67m) plus interest and costs.

Provision for the majority of this amount has continued to exist in the Company's accounts with the Company's directors having determined to make a provision for the liability at the time of acquisition. Such provision has been made in accordance with applicable accounting standards and is not an admission of liability on the part of the Company in respect of the claim made by the ATX vendors.

The Company has sought, and will continue to seek, legal advice in relation to this matter as it disputes the claim, and will defend the action.

Notwithstanding the dispute, ATX financial performance has improved positively during FY25 and into FY26.

As this matter is the subject of legal proceedings, the Company does not intend to make any further comment at this time. The Company will update the market on this matter as and when appropriate.

This announcement has been approved for release by Mark Healy, CEO.
