NO ACTION REQUIRED BY SHAREHOLDERS

No action is required if you wish to continue to receive future eligible dividends in cash.

FEATURES OF THE DRP

Participation in the DRP

Shareholders may choose the level of participation in the DRP that suits their requirements and will be able to vary their level of participation at any time prior to the election cut-off date for an eligible dividend.

"All the Shares" relates to all Shares entered in the Northern Star register in the name of the shareholder and all Shares subsequently entered in the shareholder's name.

"Some of the Shares" relates to the number of Shares specified in the online application or the Application Form (as the case may be) and all additional Shares subsequently issued to the shareholder under the DRP. For all other Shares subsequently entered in the Northern Star register (in the shareholder's name): if a shareholder wishes to have any of those Shares participate in the DRP, the shareholder will need to specifically apply for those Shares to participate in the DRP in accordance with the rules of the DRP.

If you participate in the DRP and you sell some of your Shares, your level of participation in the DRP remains the same unless your shareholding falls below the number of Shares you have nominated to participate in the DRP, in which case the number of Shares you hold becomes the number that participate in the DRP, unless you nominate otherwise by delivery of a Variation/Withdrawal Notice in accordance with the rules of the DRP.

Allocation price

The allocation price for Shares issued or transferred, if applicable, under the DRP will be either:

- i. the arithmetic average of the daily volume weighted average sale prices of all Shares sold on ASX during a calculation period of not less than five trading days immediately after the relevant record date for the eligible dividend, less any discount determined by the Board from time to time in its absolute discretion and excluding any trades that the Board considers (again, in its absolute discretion) do not reflect normal supply and demand or the ordinary course of trading. The Board will determine the application

calculation period in respect of each eligible dividend, having regard to any factors it considers appropriate to that determination; or

- ii. the fair market value of the Shares as determined by the Board in its absolute discretion (by reference to such information as the Board approves for the purpose of determining the fair market value) where the Board determines that any allocation price calculated under paragraph (i) above would not be representative of the then fair market value of Shares.

The amount of the eligible dividend otherwise payable to a shareholder that is to be applied in subscribing for Shares under the DRP may be reduced by any applicable withholding tax.

Ranking of shares

Shares issued or transferred, if applicable, under the DRP to a participating shareholder will be fully paid ordinary shares ranking equally in all respects with existing Shares then on issue.

Costs

Shares issued or transferred, if applicable, under the DRP will not be subject to brokerage, commission, or other transaction costs.

Records

Shareholders participating in the DRP will be issued with a holding statement as soon as practicable after Shares are issued or transferred, if applicable.

ASX listing

Application will be made for Shares issued under the DRP to be quoted on ASX.

Modifications

The Board may modify the rules of the DRP from time to time and in its absolute discretion.

Suspension or termination

The Board may, in its absolute discretion, suspend, recommence or terminate the operation of the DRP at any time.

TIME PERIODS FOR PARTICIPATION

Your application to participate in the DRP (or Variation/Withdrawal Notice) must be received **prior to the relevant election cut-off date for the dividend.**

Once you have nominated the number of Shares that are to participate in the DRP in relation to an eligible dividend, you cannot vary that number after the election cut-off date for that eligible dividend.

An application (or variation) remains in effect in relation to all subsequent eligible dividends unless and until it is varied by a Variation/Withdrawal Notice.

VARIATION OR CESSATION

Subject to the rules of the DRP, if you wish to vary your application under the DRP or cease participating you must forward a Variation/Withdrawal Notice to the Share Registry.

ELIGIBILITY TO PARTICIPATE

Subject to Northern Star's constitution and any applicable law, all holders of Shares will generally be eligible to participate in the DRP.

Shareholders may participate if they have registered addresses in Australia or New Zealand or in any other jurisdiction where the Board determines, in its absolute discretion, that making the offer and issue or transfer, if applicable, of Shares under the DRP is not unlawful or impracticable.

The Board may determine the eligibility of any shareholder in its absolute discretion.

Shareholders with registered addresses in a country or jurisdiction outside of Australia or New Zealand should have regard to the international offer restrictions set out in under "International Offer Restrictions".

A shareholder may not participate in respect of Shares over which Northern Star has or is entitled to a charge, lien or other security interest, or otherwise has rights to retain part or all of a dividend payable in respect of those Shares, pursuant to Northern Star's constitution or the *Corporations Act 2001* (Cth).

The Board is not under any obligation to issue or transfer Shares to a shareholder under the DRP if to do so would or might (in the opinion of the Board) result in a breach of the constitution of Northern Star.

NOMINEES

Nominees and custodians may not distribute this document, and may not permit any beneficial shareholder to participate in the DRP, in any country outside Australia or New Zealand, Canada, Hong Kong, Japan, Singapore, the United Kingdom and the United States, except, with the consent of the Board, to beneficial shareholders resident in certain other countries where the Board may determine it is not unlawful or impracticable to make the DRP available.

ELIGIBLE DIVIDENDS

The Board has the discretion to determine whether a particular dividend is eligible for the purposes of the DRP. The Board will decide this at the time of declaring a dividend.

If the directors determine that a dividend is not an eligible dividend, the dividend will be paid entirely in cash.

TAX POSITION

Participating shareholders in the DRP use eligible dividends paid on participating Shares to receive additional fully paid Shares of the same class. For taxation purposes, shares received under the DRP are treated as though the shareholder had received a cash dividend and then paid it back to Northern Star to subscribe for new Shares. Northern Star's understanding, at the date of adopting the DRP, is as follows –

Australian Residents

- i. Shares received under the DRP are treated as having been purchased by the reinvestment of cash dividends for the purposes of the Australian income tax system. A participant in the DRP will accordingly be subject to tax on the same basis as a recipient of cash dividends. Accordingly, where Northern Star declares a franked dividend, a participant in the DRP will be treated as receiving a franked dividend to which a franking credit attaches for Australian income tax purposes; and
- ii. Shares received under the DRP will, in general, be subject to Australian capital gains tax on disposal, regardless of whether the participating Shares in respect of which they are issued were acquired by the participating shareholder before, on or after 20 September 1985. The cost base of the Shares received under the DRP will usually be calculated for capital gains tax purposes on the basis that they were acquired at a cost equal to the cash amount of the dividend which is applied to pay for the shares. The acquisition date for capital gains tax purposes will be the date of issue of the Shares under the DRP.

Non-Residents

A non-resident will not be subject to withholding tax on dividends to the extent that the dividend is franked. The capital gains tax consequences of participation by a non-resident in the DRP would be as described above, although most non-residents would not, in any event, be subject to Australian capital gains tax on their Shares.

INTERNATIONAL OFFER RESTRICTIONS

This document does not constitute an offer of new Shares in any jurisdiction in which it would be unlawful. In particular, this document may not be distributed to any person, and the new Shares may not be offered or sold, in any country outside Australia except to the extent permitted below.

Canada

This document constitutes an offering of the new Shares in Canada in all its Provinces (the "Province") where existing shareholders of Northern Star are resident. This document is not, and under no circumstances is to be construed as, an advertisement or a public offering of securities in the Provinces.

No securities commission or other authority in the Provinces has reviewed or in any way passed upon this document, the merits of the new Shares and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of new Shares or the resale of such securities. Any person in the Provinces lawfully participating in the offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and receipted by the securities regulator in the applicable Provinces.

Any resale of the new Shares in the Provinces must be made in accordance with applicable Canadian securities laws, which may require resales to be made in accordance with an exemption from prospectus requirements. Such resale restrictions do not apply to a first trade in a security (such as new Shares) of a foreign issuer (such as Northern Star) that is not a reporting issuer in Canada through an exchange or market outside of Canada (such as ASX).

Northern Star as well as its directors and officers may be located outside Canada and, as a result, it may not be possible for purchasers to effect service of process within Canada upon Northern Star or its directors or officers. All or a substantial portion of the assets of Northern Star and such persons may be located outside Canada and, as a result, it may not be possible to satisfy a judgment against Northern Star or such persons in Canada or to enforce a judgment obtained in Canadian courts against Northern Star or such persons outside Canada.

This document is for the exclusive use of existing shareholders of Northern Star in connection with the DRP. This document is confidential to the person to whom it is addressed and must not be distributed, reproduced or disclosed (in whole or in part) to any other person in Japan other than by Northern Star to its shareholders.

Accordingly, this document and any other document or materials in connection with the offer or sale, or invitation for subscription or purchase, of new Shares, may not be issued, circulated or distributed, nor may the new Shares be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore except (i) to existing members of Northern Star pursuant to Section 273(1)(cd) of the Securities and Futures Act, Chapter 289 of Singapore (the "**SFA**") or (ii) pursuant to and in accordance with exemptions in Subdivision (4) Division 1, Part XIII of the SFA or as otherwise in accordance with the conditions of any other applicable provisions of the SFA.

This document has been given to you on the basis that you are an existing shareholder of Northern Star's ordinary shares. In the event that you are not such a shareholder, please return this document immediately. You may not forward or circulate this document to any other person in Singapore.

Any offer is not made to you with a view to the new Shares being subsequently offered for sale to any other party. There are on-sale restrictions in Singapore that may be applicable to investors who acquire new Shares. As such, investors are advised to acquaint themselves with the SFA provisions relating to resale restrictions in Singapore and comply accordingly.

This document relates to the offer of new Shares, being an offer which falls within Article 1(4)(h) of the UK Prospectus Regulation on the basis that it relates to dividends paid out to existing shareholders in the form of shares of the same class as the shares in respect of which such dividends are paid, provided that a document is made available containing information on the number and nature of the shares and the reasons for and details of the offer.

This document is issued on a confidential basis to existing shareholders of Northern Star and the new Shares may not be offered or sold in the United Kingdom except in circumstances which do not require the publication of a prospectus pursuant to section 86(1) FSMA. This document should not be distributed, published or reproduced, in whole or in part, nor may its contents be disclosed by recipients to any other person in the United Kingdom.

Any invitation or inducement to engage in investment activity (within the meaning of section 21 FSMA) received in connection with the issue or sale of the new Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) FSMA does not apply to Northern Star.

In particular, the only shareholders of Northern Star resident in the United States who may participate in the DRP are:

- "qualified institutional buyers" (as defined in Rule 144A under the US Securities Act); and
- dealers or other professional fiduciaries organized or incorporated in the United States that are acting for a discretionary or similar account (other than an estate or trust) held for the benefit or account of persons that are not US persons and for which they exercise investment discretion, within the meaning of Rule 902(k)(2)(i) of Regulation S under the US Securities Act.

Any US shareholder wishing to participate in the DRP must complete and return to Northern Star a US investor certificate making representations as to its status and related matters.

RULES PREVAIL

- (b) Each DRP Participant will be subject to the minimum or maximum level of participation (as applicable, if any) notified by Northern Star under Rule 5.1(a).

5.2 **Maximum Participating Holding**

To the extent that an application specifies a number of Shares exceeding, or the number of the DRP Participant's DRP Shares exceeds, any maximum level of participation in the DRP determined by the Board under Rule 5.1(a) (for so long as that limit applies):

- (a) the DRP Participant's DRP Shares will be taken to be the maximum number specified in the applicable Board resolution; and
- (b) any Dividend payable in respect of those DRP Shares in excess of that limit will be paid by Northern Star in accordance with its usual arrangements for the payment of Dividends.

5.3 **Minimum Participating Holding**

To the extent that an application specifies a number of Shares, or the number of a DRP Participant's DRP Shares is, less than any minimum level of participation in the DRP determined by the Board under Rule 5.1(a) (for so long as that limit applies):

- (a) the number of DRP Shares for that DRP Participant is deemed to be zero for the purposes of these Rules; and
- (b) any Dividend payable in respect of those DRP Shares will be paid by Northern Star in accordance with its usual arrangements for the payment of Dividends.

6. **DRP ACCOUNT**

6.1 **Establish and maintain DRP Account**

- (a) Northern Star must establish and maintain a DRP Account in respect of each DRP Participant.
- (b) In respect of each Eligible Dividend, Northern Star will:
 - (i) calculate the amount of the Eligible Dividend payable to each DRP Participant on the Eligible Member's DRP Shares;
 - (ii) calculate (if applicable) the Australian withholding tax payable in respect of that Eligible Dividend in relation to the Eligible Member's DRP Shares;
 - (iii) credit the amount calculated under Rule 6.1(b)(i) and debit the applicable withholding tax (if any) calculated under Rule 6.1(b)(ii) to the DRP Participant's DRP Account;
 - (iv) calculate the number of DRP Shares to be issued to the DRP Participant in accordance with Rule 7.2;
 - (v) on behalf of and in the name of the DRP Participant, subscribe for that number of DRP Shares and debit the DRP Participant's DRP Account with the total Allocation Price for those Shares;
 - (vi) issue that number of additional DRP Shares to the DRP Participant in accordance with Rule 7.3; and
 - (vii) retain in the DRP Account any residual balance remaining after the debit referred to in Rule 6.2.

6.2 **Residual balances**

- (a) Any residual balance in a DRP Participant's DRP Account will be aggregated with any further Dividend payment credited to the Participant's DRP Account, without interest.
- (b) Where a DRP Participant's participation in the DRP has been terminated, either by termination of the DRP or where a DRP Participant ceases to be a DRP Participant or an Eligible Member, Northern Star must:
 - (i) if the residual balance in the DRP Participant's DRP Account is less than \$10.00, pay the amount of the residual balance to a charity chosen by the Board in its absolute discretion; or

- (ii) if the residual balance in the DRP Participant's DRP Account is \$10.00 or more, pay the amount of the residual balance to the DRP Participant.

6.3 **Interest not accrued**

Amounts standing to the credit of a DRP Account do not accrue any interest.

7. **OPERATION OF DRP**

7.1 **Eligible Dividend**

The DRP applies only in respect of DRP Shares of a DRP Participant on which an Eligible Dividend is payable.

7.2 **Number of shares to be issued or transferred**

Subject to the absolute discretion of the Board, the number of Shares to be issued to each DRP Participant in relation to an Eligible Dividend (**S**) is the number determined in accordance with the following formula (rounded down to the nearest whole number):

$$S = \frac{A}{P}$$

Where:

A is the amount standing to the credit of the DRP Participant's DRP Account after completion of the steps under Rules 6.1(b)(i), 6.1(b)(ii), and 6.1(b)(iii), but inclusive of any balance standing to the credit of the DRP's Participant's DRP Account, including a residual balance under Rule 6.2(a), before those steps were commenced; and

P is the Allocation Price determined as at the Record Date.

7.3 **Issue or transfer of Shares**

- (a) The Board will, in its absolute discretion in relation to any Eligible Dividend, determine whether to issue new Shares or to cause the transfer of Shares to a DRP Participant, or to apply a combination of both options, to satisfy the obligations of Northern Star under these Rules.
- (b) If the Board determines to cause new Shares to be issued to DRP Participants under Rule 7.3(a), the new Shares must be issued fully paid up as soon as practicable after the relevant Dividend Payment Date. Northern Star must promptly (and, in any event, within the time period required by the ASX Listing Rules) apply for those Shares to be quoted on ASX.
- (c) If the Board determines to cause the transfer of Shares to DRP Participants under Rule 7.3(a):
 - (i) the Shares may be acquired on-market in any such manner as the Board considers appropriate; and
 - (ii) references in these Rules to the "issue of Shares" are to be read as references to the "transfer of Shares" as the context requires.
- (d) If the Board considers, in its absolute discretion, that any issue or transfer (or part of any issue or transfer) of Shares under these Rules may be unlawful or impracticable because of any applicable law, the Board may:
 - (i) decline to issue or transfer Shares under these Rules;
 - (ii) reduce the size of any issue or transfer; and/or
 - (iii) reduce the level of, or suspend the participation of, any DRP Participant.

7.4 **Constitution prevails**

Despite anything contained in these Rules, neither Northern Star nor the Board has any obligation to issue Shares to a DRP Participant if to do so would or might (in the opinion of the Board) result in a breach of the Constitution. If this Rule applies in relation to a DRP Participant, Northern Star must pay the amount standing to the credit of his or her DRP Account, after the steps in Rules 6.1(b), 6.2(b)(ii) and 6.1(b)(iii) have been completed, to

the DRP Participant on the relevant Dividend Payment Date, and must not issue any Shares to the DRP Participant under the DRP.

7.5 Shares which may not participate in the DRP

Despite anything contained in these Rules, Northern Star need not issue any Shares to a DRP Participant if Northern Star is, or would be, entitled to:

- (a) retain all or part of the Eligible Dividend which is, or would be, payable in respect of the DRP Participant's DRP Shares; or
- (b) a charge or lien over any of the DRP Participant's DRP Shares or over any dividend payable in respect of those DRP Shares.

8. SHARES ISSUED UNDER THE DRP

8.1 Rights attaching to Shares

Shares issued under the DRP will, from their date of issue, rank from the date of issue equally in all respects with all other Shares then on issue.

8.2 Holding statements

Northern Star must send a holding statement for Shares issued under the DRP to DRP Participants as soon as practicable after the Shares are issued (and in any event, within the period required by the ASX Listing Rules).

8.3 No brokerage or commission

- (a) Northern Star must not charge brokerage, commission or other transaction costs on Shares issued or transferred (if applicable) under the DRP.
- (b) Northern Star will be responsible for payment of any stamp duty in relation to any transfer of Shares to DRP Participants under Rule 7.3(c).
- (c) However, Northern Star does not assume any liability for any taxes or other imposts assessed against or imposed on a DRP Participant in respect of their DRP Shares.

9. VARIATION OR TERMINATION OF PARTICIPATION

9.1 Variation or termination by notice

- (a) A DRP Participant may:
 - (i) vary the number of his or her Shares participating in the DRP; or
 - (ii) cease participating in the DRP,by giving written notice to the Share Registry of his or her decision to do so in the form prescribed by the Board.
- (b) Subject to Rule 9.1(c), a notice given under Rule 9.1(a) is effective from the time it is received by the Share Registry.
- (c) A notice given under Rule 9.1(a) which is received after the Election Cut-Off Date for an Eligible Dividend is not effective for that Eligible Dividend, but takes effect in respect of the next Eligible Dividend.
- (d) A variation or termination lodged for the purposes of Rule 9.1(a) must be lodged for each separate shareholding account under Rules 4.3 and 4.4.

9.2 DRP Participant ceasing to be a Shareholder

If a DRP Participant (or any of the joint Shareholders that constitute a DRP Participant) disposes of all their DRP Shares without giving written notice to the Share Registry to cease participation in the DRP, the participation of that DRP Participant ceases upon the transfer being registered.

9.3 **Death/bankruptcy of DRP Participants**

If a DRP Participant (or any of the joint Shareholders that constitute a DRP Participant) dies or becomes bankrupt, the participation of that DRP Participant ceases when Northern Star or the Share Registry receives notice of the death or bankruptcy, as the case requires.

10. **VARIATION, SUSPENSION AND TERMINATION OF THE DRP OR THESE RULES**

10.1 **Board may vary, suspend or terminate**

- (a) The Board may resolve to vary these Rules (including, for the avoidance of doubt, the definition of "Allocation Price" in Rule 1.1), suspend or recommence operation of the DRP, or terminate the DRP, at any time in its absolute discretion.
- (b) The Board must give notice to Eligible Members of any determination made by the Board under Rule 10.1(a).
- (c) Any variation, suspension or termination made by the Board under Rule 10.1(a) will take effect on the date specified by the Board.

10.2 **Effect of variation of the DRP**

- (a) If the DRP or these Rules are varied under Rule 10.1, each Eligible Member or DRP Participant is taken to continue to participate in the DRP as varied.

10.3 **Effect of suspension of the DRP**

- (a) Any suspension under Rule 10.1 will continue until the Board resolves to recommence the DRP (on any conditions it thinks appropriate) or terminate it.
- (b) If the Board resolves to recommence the operation of the DRP, notice must be given in accordance with Rule 12 to Eligible Members, and each Eligible Member who was a DRP Participant immediately before the suspension commenced is taken to continue to participate in the DRP when it recommences, subject to Rule 9 unless the Board determine otherwise.

11. **DISPUTE RESOLUTION**

- (a) The Board may determine to settle any difficulties, anomalies or disputes which arise in connection with, or because of, the operation of the DRP, in the manner it thinks expedient either generally or in relation to a particular Eligible Member or Share.
- (b) Any determination made by the Board under Rule 11(a) is final and binding on all Eligible Members.

12. **NOTICES FROM NORTHERN STAR**

A notice required by these Rules to be given to Eligible Members by Northern Star may be given by any of the following:

- (a) publishing the notice on Northern Star's website and giving the notice to ASX for release to the market (in which case the notice is taken to be given on the date on which it is first given to ASX); or
- (b) a method that is permitted by the Constitution; or
- (c) both methods specified in Rules 12(a) and 12(b) (in which case the notice is taken to be given on the date on which it is first given to ASX).

13. **TRADING RULES**

13.1 **Consistency with Trading Rules**

For so long as Northern Star remains admitted to the official list of ASX, despite anything else contained in these Rules:

- (a) if the Trading Rules prohibit an act being done by Northern Star, the act shall not be done;
- (b) nothing contained in these Rules prevents an act being done by Northern Star that the Trading Rules require to be done;

- (c) if the Trading Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
- (d) if the Trading Rules require these Rules to contain a provision and they do not contain that provision, these Rules are taken to contain that provision;
- (e) if the Trading Rules require these Rules not to contain a provision and they contain that provision, these Rules are deemed not to contain that provision; and
- (f) if any of these Rules are or become inconsistent with the Trading Rules, these Rules are to be taken not to contain that provision to the extent of the inconsistency.

14. **GENERAL**

14.1 **Governing Law**

The DRP, its operation and these Rules are governed by the laws of the State of Western Australia and each Shareholder submits to the jurisdiction of the Courts of that State.

14.2 **Accidental omissions**

The accidental omission to give a notice of variation, suspension or termination, or the non-receipt of any notice by any member of Northern Star, does not invalidate the variation, suspension or termination of the DRP or these Rules (as the case may be).

14.3 **Waiver**

Northern Star reserves the right to waive strict compliance with any provisions of these Rules.

14.4 **Taxation**

- (a) Neither Northern Star nor the Board, its officers, employees, representatives or agents:
 - (i) take any responsibility or assume any liability for, or as a consequence of, the tax liabilities of any DRP Participant; or
 - (ii) represent or warrant that any DRP Participant will gain any taxation advantage, or will not incur a taxation liability or disadvantage, as a result of participation in the DRP.
- (b) Northern Star recommends DRP Participants obtaining their own separate taxation advice before taking any action contemplated or permitted by these Rules.
